Bronchitis

"I have kept Ayer's Cherry Pectoral in my house for a great many years. It is the best medicine in the world for coughs and colds."
J. C. Williams, Arica, N. Y.

All serious lung troubles begin with a tickling in the throat. You can stop this at first in a single night with Ayer's Cherry Pectoral. Use it also for bronchitis, consumption, hard colds, and for coughs of all kinds.

Three sizes: 25c, enough for an ordinary cold; 50c, just right for bronchitis, hoarse voice, hard colds, etc.; \$1, most economical for chronic cases and for keeping hand.
