In married life is generally made on an equal footing of health in man and wife. But how soon, in many cases, the wife loses the advantage and fades in face and fails in flesh, while her husband grows even

more rugged and robust. There is one chief cause for this wifely failure and that is, the failure of the womanly health. When there is irregularity or an unhealthy drain, inflammation, ulceration or female weakness, the general health is soon impaired.

\$500 FLEWARD:

WHO CANNOT BE CURED.

Proprietors and makers of Dr. Pierce's Pavorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States for any case of Leucorrhea, Female Weakness, Prolapsus, or Falling of Womb, which they cannot cure. All they ask is a fair and reasonable trial of their means of cure. "A little over a year ago I wrote to you for advice," says Mrs. Elizabeth J. Fisher, of Diana, W. Va. "You advised me to use Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery,' which I did, and with the most happy result. I was troubled with female weakness and bearing-down pains. Had a very bad pain nearly all the time in my left side, nervousness and headache. Was so weak I could hardly walk across my room. Could not sit up only walk across my room. Could not sit up only just a little while at a time. My husband got me some of Dr. Pierce's medicine and I began its use. Before I had taken two bottles I was able to help do my work. I used three bottles in all and it cured me. Now I do all my housework. It is the best medicine I ever used."

The Common Sense Medical Adviser, in paper covers, is sent free on receipt of 31 one-cent stamps to pay expense of customs and mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
