I at last was recommended to give Dr. Thomas' Eclectric Oil a trial. which has resulted, after using eight bottles (using it internally and externally), pondency and lack of interest in life is in a complete cure. I believe it is the best a disease, and, by tranquilizing the imedicine in the world, and I write this to

Some days ago a pretty little girl the some five years of age, named Rosa, Northrop & Lyman of Toron- wound up by saying :- "Rosa, don't love you." "Ah, but you have got to," retorted the child. "Why," said Rosa, "you must love them that hate you, and I'm sure I hate vou."
