OBITUARY.

It is our sad duty to chronicle the death of Mr. James Lytle, formerly of this place, who died in Toronto on Nov. 29, having gone there one year ago at the age of sixty four. Deceased was a highly respected citizen, a leading member of the Methodist Church and always found in sympathy with every good cause and ready to lend a helping hand.

He had been in very poor health all the past summer and waiting for the end to come, and several times expressed the desire to depart and be with Christ which is far better. His remains were brought to his former home and interred at St. Mary's Cemetery.

He leaves to mourn his loss, a widow and one son.

To prove what Dr. Leonhardt's Anti-Pill will do—Your name and address on a Post Card will bring it—Has cured thousands already.

Dr. Leonhardt's Anti-Pill has ushered in a new era in the treatment and cure of disease. Thousands who had given up hope have been restored to perfect health, and every cure seems to have been perfect and permanent.

Here is a case of Dyspepsia:—

"I have been a great sufferer from Dyspepsia for many years. I have been treated by local doctors, and have taken nearly all the advertised remedies with only temporary relief, but since using Dr. Leonhardt's Anti-Pill, I can eat anything the same as when a boy. My old time vigor has returned, so that my spirits are boyant and temper normal. I give all credit to Dr. Leonhardt's Anti-Pill."—M. N. Dufao, 29 Colborne Street, Toronto.

Great and Noble Man.

Last night, preceding the sermon on "The Last Judgement," Rev. E. A. Langfeldt made the following reference to the death of the Rev. Principal Cavan, D. D. "I should certainly come short of my duties as a minister in the Church of Christ, were I to lose this opportunity of giving expression of my sincere grief at the loss the Universal Church has suffered in the death of the Venerable Principal of Knox College, Rev. Dr. Cavan. As has been said by many through the press, "he belonged to the whole Church and every communion has lost by his death a true friend, who was broad minded enough to appreciate and to credit the good everywhere. He was a great Canadian, a man of broad sympathies and views, a goodly leader of men and his influence was always felt." A great scholar, yet a humble follower of Christ, whose example he endeavored to imprint upon his work and his life. We owe him a great debt for his unswerving loyalty to the integrity of the inspired Word of God which he always masterly defended against destructive higher criticism. With our Presbyterian friends we unite in mourning the loss of a truly great and noble man.—Review of Monday

DIED

In the Township of Emily, on Tuesday, Dec. 6, 1904, Hannah Wilson, wife of Charles Shaw, sr., aged 78 years.

In the Township of Emily, on Wednesday, Dec. 7, 1904, Charles Shaw, sr., aged 82 years.

In Baillieboro, on Tuesday, Dec. 6, 1904, John Porter, aged 80 years and 9 months.

"I enjoyed good health until about two years ago when I noticed my back began to ache frequently, it became sore and lame, and headache soon added to my misery; also found that my general health diminished. I became thin and weak and nervous, having severe pains at regular intervals." writes Mrs. Augustus Emory, Treasurer New Century Club, 34 Dean Street (Roxbury), Boston, Mass. She continues: "My work which before had seemed an easy task soon seemed like a heavy burden. I decided to try Dr. Pierce's Favorite Prescription, which several of my friends had used so highly. I felt relief within a week, my appetite came back, the pains gradually decreased and I enjoyed sound sleep. Within fourteen weeks I had completely recovered my health. I seemed built up anew, my pulse, which had been weak because of my ailment, and new life animated my entire being. I gladly endorse your medicine."

Dr. Pierce's Favorite Prescription restores weak and sick women to sound health, by curing the local womanly diseases which are generally responsible for the failure of the general health. A woman's entire being is centered in her womanly nature. When the delicate womanly organism is attacked by disease, when there is irregularity or a disagreeable drain; when inflammation burns and ulcers gnaw the general health will reflect the progress of disease, in increasing weakness, nervousness, backache, headache, loss of appetite and sleeplessness.

So sure it is the World's Dispensary Medical Association, of Buffalo, N. Y., proprietors of Dr. Pierce's Favorite Prescription, that they offer \$500 reward for women who cannot be cured of Leucorrhoea, Female weakness, Protrusion, or Falling of Womb. All they ask is a fair and reasonable trial of their means of cure.

Dr. Pierce's Pleasant Pellets regulate the stomach, liver and bowels.

Two New Wholesale Stocks Added.

Not often do we get the chance to purchase high grade wholesale stocks like these for so remarkably little money in proportion to the value of the merchandise and likewise it is just as seldom that wearers of good clothing get the chance to buy garments like these at such marvellously low prices, especially at the beginning of the season. We closed out two entire winter stocks at such a sacrifice that we are able to retail these fine Winter Suits and Overcoats at about half their real worth. Think of what this means—be quick to act if you care to make your dollars do double duty.
