A Merry

New Year.

AN OPEN LETTER FROM MR. W. J. GAGE.

TORONTO, Can., Dec. 1, 1904.

DEAR FRIEND,

We again come to you with our story of trouble, but a story of surprising and encouraging results.

No apology is necessary; the great work of the National Sanitarium Association, carried on at the Muskoka Cottage Sanitarium and Free Hospital for Consumptives, is now well known.

The 1,500 patients cared for in these two Homes plead for your help.

The large number of lives saved, of those who a few years ago were supposed to be "under sentence of death," gives a right to your sympathy.

In helping to rescue a number great enough to constitute a large prosperous village, the giving back to home and friends a regiment of workers, surely will arouse interest in this work of mercy.

Each patient cared for in our Consumptive Homes, removes a source of danger, so that the life of every citizen in Canada is more secure.

The marvelous decrease of 40 per cent. in three years in the death-rate in Ontario from consumption proves that the fight against this dread disease is no losing one.

The Muskoka Free Hospital for Consumptives, for which this appeal is made, without any endowment keeps an open door to all who are poor and sick, as long as a vacant bed remains.

Newly 400 patients have been cared for in this Hospital since it was opened less than three years ago. This has only been possible because of the continuous stream of gifts that have come to us from every part of Canada.

Remember, too, these were patients that other hospitals as a rule refuse.

Almost every trade and profession has sent its representative, and of every age from the young schoolboy of 12 to the widowed mother of 60.

\$25,000 was received last year by the

Trustees of the Free Hospital for Consumptives through contributions and bequests.

\$50,000 should be given this year if the Board is to provide for the increased accommodation and maintenance of those pleading for admission.

Where will your money do so much good in bringing health to the sick and protecting the lives of those in your home?

Why should consumption not be stamped out if the needed money and help be forthcoming?

The official Report of the Secretary of the Provincial Board of Health tells a surprising story—a story of a winning fight, showing that from 1897 up to 1900 there was a steady increase in the death-rate from Tuberculosis.

From 1900 there has been a large decrease each year, reducing the death-rate from 3,484 to 2,672 in three years, or over 40 per cent. This is all the more remarkable in view of the increase in population.

You have the joy of knowing that your dollar has helped in this meritorious work.

The pitiful part of it all is in knowing how many more lives could have been saved if the needed money had been forthcoming to provide additional beds.

Will you not join in this great life-saving work?

Your dollar will bring gladness.

Fifty dollars will keep a sick one for two months; may save a life. Three hundred dollars will endow a bed for a year.

Yours sincerely

W. J. Gage

The Bank of Toronto have bought out the old established private banking business of Messrs Wood & Kells at Millbrook and have moved their office to the building of that firm. M. W. T. Wood, who for years has been manager for Messrs Wood & Kells, has received the appointment of manager for the Bank of Toronto at Millbrook and Mr. A. St. A. Smith, manager for the Bank of Toronto for three years, goes to take charge of the branch at Keene.

Mr. Smith's genial manner, combined with sound business management made him very popular here and aided in securing the confidence of all doing business with the Bank. Many will regret his leaving here and while wishing him success in his new field of labor will extend hearty support to Mr. W. T. Wood in his new position as manager of the Millbrook branch of the Bank of Toronto.

There will no doubt be some new faces in Millbrook Council of 1905. Next Monday is nomination day. The electors will then have a chance to pick out their candidates. Be sure you choose men who will do the most to advance the town's interests, and keep your taxes down as much as possible.

Death of Mrs. Rodgers

The very sad death of Mrs. William Rodgers, Fraserville of blood-poisoning, took place on Sunday after a short illness. The deceased had been ailing for about two weeks, but as every hope had been for her recovery, her death came as a great shock to her many friends.

She is survived by a husband and three sons—Arthur, of the Garden Printery, Peterboro, and Walter and Norman, of Fraserville.

The funeral took place, Tuesday of last week, from the family residence, Fraserville, via G. T. R., to Knoxville cemetery, Hope township.

The Late John Porter was Highly Respected.

One of the oldest and most respected residents of Baillieboro, died on Tuesday evening in the prison of John Porter. He was born in Ireland and came to Canada when about eight years of age. The family settled in Bowmanville, where they lived for several years. The deceased spent a number of years of his early manhood in Port Hope, and for a short time was employed by the late Mr. Rountree, in Peterboro. For the past sixty years he has been a resident of Baillieboro, where he has been engaged in a successful shoe business.

While living in Port Hope the late Mr. Porter saw six months service in the Queen's Own Regiment at the time of the rebellion of 1837.

The deceased was twice married, his first wife having predeceased him by about thirty years. His widow was Jessie Chambers. By his first wife he leaves four sons, Samuel of Winnipeg, Thomas; headmaster of the Model School; Toronto; John, of Trenton, Ont., and Alexander, who is in the United States, and a daughter, Jane, of Toronto.

The deceased suffered a stroke of paralysis last winter, and never rallied from its effects. He was eighty years of age.

The late Mr. Porter was very well known in these parts where he enjoyed the respect and esteem of a very large number of friends. He was a man of high character and of ability, and his death will remove one whose loss will be sorely felt.

The funeral, which was very largely attended, took place Friday afternoon at the Presbyterian cemetery at Centreville.

The Worst Kind.

After Piles have existed for a long time and passed through various stages the suffering is intense—pain, itching, throbbing, tumors form, filled with bad blood.

Symptoms indicating other troubles may appear to a thoroughly Pile-sick person.

This is when Dr. Leonhardt's Hemorrhoid, the only absolute Pile cure, brings the results that has made its fame.

It will cure the most stubborn case in existence and a bonded guarantee to that effect goes with each package. It is to be had for \$1 at the drug store, or from The Wilson-Eyle Company, Limited, Niagara Falls, Ont.

There were fourteen ministers and four elders at the quarterly meeting of the Presbytery held in Peterboro on Friday. Rev. C. S. Lord, Moderator, presided.

The Rev. George Yule, of Springville was chosen Moderator for the next six months. Rev. John McDougal of Spencerville, was nominated for the chair of Apologetics and Church History in the Montreal College, and Rev. Dr. Ramsey of Ottawa, for the chair of Practical Theology in the same college.

After a lengthy discussion on the report of the Committee on the Reconstruction of Stations in the district lying between Omemee and Port Hope it was agreed that the Omemee and Springville fields remain as they are at present. It was agreed to recommend that Millbrook put forth effort to become self-sustaining, and that then Garden Hill, Oak Hill and Knoxville should become a pastoral charge.

The next quarterly meeting of the Presbytery will be in St. Paul's church Peterboro, on the first Tuesday in March, 1905, at 9 o'clock a.m.

Rev. Dr. McKay and Rev. Dr. McTavish addressed the Presbytery on the claims of foreign missions.

Reports were given in as to the visits made to congregations paying less than \$800 and a manse, with a view to increase of salary. The report showed that increase is likely to be made in every case.

Leave was granted to First Church, Port Hope, to build a new church and to dispose of the old one.

The Methodist Epworth League held quite an appropriate meeting at this season of the year on last Monday night Subject "How Christmas is celebrated in different countries."

Very interesting selections were read on this subject by the Misses Pearl Burnham, Bertha Jackson, Maud Nugent, Stella Hetherington and Mr. Walter Hetherington. The meeting was presided over efficiently by Miss Stella Hetherington and Miss Maud Nugent presided at the organ in her usual acceptable manner. As Christmas and New Years are both on Monday night there will be no League meeting until the second Monday night in January, when the regular League Topic will be taken up again as in 1903.

The Best Dollar Xmas. Gift.

One of the very best Christmas gifts and one that will be appreciated by all during 1905 is a year's subscription to the Family Herald and Weekly Star of Montreal. It costs but a dollar a year and includes the lovely premium picture entitled "The Princess at Work."

The publishers of that great Weekly are planning to give its readers bigger value than ever during 1905. A dollar cannot be better spent. It is said the staff of clerks employed in the Family Herald office entering up names alone of new subscribers is greater in number than the whole staff of any five papers in Canada.

A very successful Christmas entertainment was given at Zion on Thursday evening, the 22nd inst. A very excellent program was rendered by the school, assisted by Mr. McKim and Miss Nugent, of Millbrook. A very enjoyable evening was spent, and the officers and teachers of the Sunday School have every reason to be encouraged in trying to make the coming year the best the school has ever had.

THE FARMER'S CHAMPION.

What Readers Have to Say About It.

The Sun is easily the best farm paper in Canada, and what a pity it is that so many farmers instead of getting the Weekly Sun, content themselves with some gossip sheet of no real value to them. Instead of giving their families the cream of agricultural knowledge, they simply feed them on the whey of a political party gush. The Sun is giving a splendid battle for the farmers of this country, and deserves the unanimous support.—J. S. Field, Ont.
