

AYER'S SARSAPARILLA

S. P. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes: "For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down. I was induced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and, in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 129 pounds; I now can brag of 159 pounds, and was never in so good health. If you could see me before and after using, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market to-day."

A Boston Boy's Eyesight Saved—Perhaps His Life

By Hood's Sarsaparilla—Blood Poisoned by Canker.

Read the following from a grateful mother: "My little boy had Scarlet Fever when 4 years old, and it left him very weak and with blood poisoned with canker. His eyes became so inflamed that his sufferings were intense, and for seven weeks he

Could Not Open His Eyes. I took him twice during that time to the Eye and Ear Infirmary on Charles street, but their remedies failed to do him the faintest shadow of good. I commenced giving him Hood's Sarsaparilla and it soon cured him. I have never doubted that it saved his sight, even if not his very life. You may use this testimonial in any way you choose. I am always ready to sound the praise of

Hood's Sarsaparilla
because of the wonderful good it did my son."

—Mr. W. D. Nugent has received his exhibit of horseshoes back from the World's Fair at Chicago and we find from personal inspection they are an excellent collection and it is no wonder Mr. Nugent was successful in receiving the reward of honor. Two different parties offered \$100 for the collection, but our worthy son of vulcan preferred to bring his pets back. We plead ignorance in not noticing this item of home success sooner.
