assistance of the REPORTER.

One of the most unpleasant and dangerous instadies that afflicts Cana dians at this season is cold in the head Unpleasant, because of the dull, heavy headache, inflamed nostrils and other disagreeable symptoms accompanying it; and dangerous, because if neglected, it develops into catarrh, with its disagreeable hawking and spitting, foul breath, frequent loss of taste and smell, and in many cases ultimately developing into consumption. Nasal Balm is the only remedy discovered that will instantly relieve cold in the head and cure in a few applications, while its faithful use will effectually eradicate the worst case of catarrh. Capt. D. H. Lyon, president of the C. P. R. Car Ferry, Prescott, Ont., says :- "I used Nasal Balm for a prolong case of cold in the head. Two applications effected a cure in less than twenty four hours. I would not take \$100 for my bottle of Nasal Balm if I could not replace it."
