THE WEATHER

December and January have done no "kidding" as regards a good old fashioned Canadian winter. During this time we have had snow, ice, rain, fog, high winds and extreme cold snaps. Sunday last it was set with drifting which kept many at home. Highway 115 had to be closed for a period and traffic re-routed. Temperatures on Monday morning ranged all the way from 18 to 30 below zero, depending on your thermometer. Eighteen would be the most likely. However, days are already beginning to stretch, so cheer up the Millbrook Spring Fair is coming, and two months should see the end of these cold days.

PRAYER WEEK

The Universal Week of Prayer is being observed in the local churches this week. On Monday, Jan. 5th, the service was held in St. Thomas' Church, the Rev. Mr. Palfrey in charge. Tonight, Thursday, January 8th, service is in St. Andrew's Church at 8 p.m. with Dr. Steed from West Africa in charge, and on Friday night, Jan. 9th, in Gaece Presbyterian Church at the same hour with the Rev. W. Patterson conducting the meeting.

An offering will be taken at each service for the Canadian Council of Churches. You are cordially invited to attend both of these services.

BELIEVE IT OR NOT!

The horse and mule live thirty years
And know nothing of Wines and Beers,

The goat and sheep at 20 die
And never taste of Scotch and Rye;

The cow drinks water by the ton
And at 18 is mostly done;

The dog at 15 cashes in
Without the aid of Rum and Gin;

The cat in milk and water soaks,
And then at 12 short years it croaks;

The modest, sober, bone-dry hen
Lays eggs for aogs, then dies at ten;

ALL ANIMALS are strictly dry,
They sinless live and swiftly die;

But sinful, sinful, Rum-soaked MEN
Survive for three score years and ten!

And some of us, though mighty few,
Stay "pickled" till we're 92!
