Mrs. Berry of Hope Advertises for a Stolen Horse and Gets It.

Port Hope Guide.

It is said that "when a woman says she will, she will, you may depend on it." Mr. Geo. Berry, Welcome, had a horse stolen on the 23rd December; he used his best endeavor to recover the stolen beast and without avail. So Mrs. Berry came into the Guide office on Monday, 23rd January—one month after the horse had been taken—and said the missing animal was her favorite driver; George had failed, but now she was going to try, and was confident she would find the horse. Mrs. Berry left an advertisement for us to send to the Toronto Globe, describing the missing beast, and said that it had been stolen by a pedler with a bull dog. On Monday last, 30th ult., Mr. Berry got a letter from F. Gray, County Constable in the township of Whitechurch, Ballantrae P. O., stating where the horse had been traded by the pedler with bull dog. Mr. Berry immediately went up and found the horse in the possession of a man named Forsyth, who lives on the 3rd concession of Uxbridge. Forsyth said that if he would give him ten dollars he would tell him where Mrs. Chas. Harris' horse, which was stolen last fall could be found. It seems the name of the pedler with the bulldog, who stole the horse, was Partridge, who it is said, has won \$50 recently with his bulldog fighting a match in Toronto.

When Mr. Berry and the constable first waited on Forsyth, he admitted that he had a horse that he believed was stolen and allowed them to take it quietly away, but after Mr. Berry had parted with the officer, Forsyth and a brother attempted to take the animal away from him. It looks as if these men were not as square as they might be.

### A Peterboro Fire.

Peterboro Review.

Shortly before one o'clock Friday morning an alarm of fire sounded for a blaze on the western boundary. The brigade responded with alacrity and had a long run to the corner of Sherbrooke-st. and the Monaghan road, where the frame building formerly used as a pottery was in flames. The high wind fanned the flames which had engulfed the structure in a few minutes. The blaze when at its highest illuminated the town from one end to the other. The firemen could not bring any water to play on the burning building owing to the distance they were from any hydrant. The place was totally destroyed. It was owned by Mrs. S. F. Allen and was worth about \$500. There is some insurance. The origin of the fire is unknown, but the building was unoccupied, which would lead to the supposition that it was incendiary.

Just after the firemen had taken their fast ride through the wild blustering night to the fire at the old pottery, an alarm came in from the box in No. Two Ward at the corner of Charlotte and Park-sts. A second alarm was accordingly sounded to call the brigade or part of them back from the first fire. The firemen were not long in returning, but no second fire could be discovered. Some one who did not hear the first alarm had seen the illustration of the pottery fire and had probably sent in the second alarm for it.

### Is it a Fake?

Peterboro Review.

A man who gave his name as Wm. Nairn made a visit a couple of weeks ago to the Allan farm in Fymour and represented to the tenant, Mr. Robert Nelson, that he had purchased the farm. He then sold wood on the place to farmers in the neighborhood, asking notes to the amount of \$487 from them, which he discounted. Later the purchasers received notice from Dr. Allan, of Toronto, the owner of the farm, warning them not to trespass. It seems that Nairn had been negotiating with Dr. Allan for the purchase of the farm and had signed an agreement. Those who gave the notes believe they have been swindled.

### A GREAT SEED ESTABLISHMENT.

\$1,100 FOR EARLY TOMATOES.

We are in receipt of a Seed Catalogue for 1893, published by F. B. Mills, Seedsman, Rose Hill, N. Y. Mr. Mills has a very novel idea in getting up his Catalogue. It is very plain, and his idea is to give his customers a very large amount for their money.

With every order amounting to \$1.00 or more he allows the customer to select 50 cents' worth in packets free, their own choice, thus you see everyone gets \$1.50 for their \$1.00.

Among the many premiums offered for Cabbage, Onions, Potatoes, and Pansies, we might mention the Early Tomatoes. \$500 is offered to any person growing a ripe one in 75 days or less from day seed is sown, also \$400 to persons growing a ripe Tomato in least number of days from day seed is sown, \$125 for next and \$75 for next.

He offers one of the finest lines of Vegetable and Flower Seeds that can be found, and prices are very reasonable.

He offers \$1,500 to club raisers for largest club order and largest number of customers secured by any one person.

Last year he paid Mrs. T. B. Young, Rock City, Ill., \$500 for largest order. His Catalogue is very interesting and no one who plants Seeds can afford to be without it. It gives a birdseye view of his establishment together with interior views of his Seed Houses, showing how the work is carried on, and photographs of persons who have won prizes.

His Seeds are becoming known everywhere for their excellent quality and Mr. Mills guarantees to please all his customers. After looking this Catalogue all through we would advise our readers to write for one at once, for it is free to any one applying, and try some of his Seeds this spring.

Do not be discouraged if other medicines have failed to give you relief. Membray's Kidney and liver cure acts on the Kidney's direct, combined with a mild action on the liver and bowels, hereby removing the cause of Back-Ache, Sour Stomach, Dizziness, Indigestion and Consumption. Try it. For sale by A. Leach, Millbrook.
