Mrs. J. H. HORSNYDER, 153 Pacific
 Ave., Santa Cruz, Cal., writes:

"When a girl at school, in Reading,
 Ohio, I had a severe attack of brain
 fever. On my recovery, I found myself
 perfectly bald, and, for a long time, I
 feared I should be permanently so.
 Friends urged me to use Ayer's Hair
 Vigor, and, on doing so, my hair

Began to Grow,

and I now have as fine a head of hair as
 one could wish for, being changed, how-
 ever, from blonde to dark brown."

"After a fit of sickness, my hair came
 out in combfalls. I used two bottles of

Ayer's Hair Vigor

and now my hair is over a yard long
 and very full and heavy. I have recom-
 mended this preparation to others with
 like good effect."—Mrs. Sidney Carr,
 1400 Regina st., Harrisburg, Pa.

"I have used Ayer's Hair Vigor for
 several years and always obtained satis-
 factory results. I know it is the best
 preparation for the hair that is made."
 —C. T. Arnett, Mammoth Spring, Ark.

TOWN TALK

 ment next week.

—Rev. A. J. H. Strike and sister have
 been visiting Mr. Jos. Hunter.

—Get the genuine Kickapoo Remedies at
 A. T. Elliott's drug store.

—Mr. W. Archer spent Sunday in Co-
 bourg.

—If our curlers can win without practice,
 with practice the tankard were theirs' sure.
 Rah for Millbrook!

—Kickapoo Indian Remedies—the genu-
 ine—be sure to get them at A. T. ELLIOTT'S.

—The fireman's concert on Feb. 13, will
 be worth going to. So Isaac says and he
 knows.

—Johnston & Fair, all steel, and hand
 made axes are superior to anything in the
 market.

—The True Blue concert and after hop
 was a great success and a good night's en-
 tertainment was enjoyed.

—Sleigh Bells, in body and back straps,
 marked down low to suit the times. John-
 ston & Fair.

—A special meeting of the Home Circle
 will be held on Monday evening, Feb. 5, at
 8 o'clock.

—Dr. S. W. Clark has added Omamee to
 his list of professional calls and on Monday
 last paid his first regular visit.

—We mention with sorrow the sudden
 death last week of Pearl, twin daughter of
 Mr. and Mrs. Jas. Kerr. She was in her
 usual playful vigor on Saturday, but was
 suddenly taken sick on Monday night and
 on Wednesday was taken from the home
 garden to blossom in the heavenly land.

—A great prohibition convention is called
 for Toronto next week. All friends of this
 reform are asked to aid in making it a suc-
 cess.

—Pete thinks it isn't fair to place him
 against a left handed man to curl. It's
 worse than watching a cross-eyed school
 teacher.

—Miss Sophia McFee of Pontypool, has
 returned home after a three months' vi-
 sit with friends in Bowling Green, Ohio. Her
 many friends welcome her back to Canada.

—We have heard of people being ridden
 out of town on a rail, but it is not usual to
 bring them in on a fence rider. But then
 modes of locomotion are changing, whether
 they were improved or not in this case, ask
 S. W.

—Being limited as to time and space we
 have to leave our reports of the Marsh and
 Dalieboro entertainment until next week
 as well as several other items of interest.

—Johnston & Fair, hardware dealers, are
 offering the Toronto Blade, Invincible and
 Premier cross cut saws, all of which are
 warranted, at greatly reduced prices. 1-

—The editor got even with the lawyer
 last week, when the latter took a tumble
 out into the snow, while we kept our seat,
 but had our fourteen stone came out on top,
 we have been chuckling how we would have
 been ahead.

—The minstrel entertainment will be
 something out of the ordinary rut and being
 composed of the melodies of colored song,
 jokes and local hits will be the most enjoy-
 able of the season. The date will be an-
 nounced very shortly.

—An important amendment to the Muni-
 cipal Act is a section authorizing municipal
 councils to decide by by-law that taxes shall
 be paid to the Treasurer at his office. The
 collector to act simply as bailiff, in serving
 notices, and making collections from delin-
 quents.

—Fireman's concert on Feb. 13th, to pay
 balance on bell. Mind the date and look
 out for large bills.

—Wm. Thexton has just received the
 following seasonable goods: One carload of
 the celebrated Cumberland Smelting Coal,
 the best money can buy, one carload of Land
 Plaster, the best and cheapest, also one car-
 load of No. 1 Timothy Hay in bales. Prices
 are right. 4t

—The Peterborough Review of Saturday
 says Mr. W. H. Russell of Millbrook called
 on friends in town to-day, also Miss Jennie
 Greer visited friends in Peterborough to-
 day.

—Our Cotem the Examiner seems to re-
 sent the unpardonable indignity heaped upon
 a party from Peterboro in our reference last
 week to their visit to Millbrook, and to give
 his shaft a lodging place, misspells our article.
 We can overlook the typographical error and
 also forgive his strictures on our style, re-
 membering that the word "gang" which
 appears to have ruffled his feathers, has no
 other application in his cramped cranium, than
 the questionable and chippy associations of
 his cultivated acquaintance.

—The Omamee winter races were held last
 week in which one of our townsmen played
 a prominent part. Harry Natrass was
 there with "Billy C," and carried off the
 honors in the 2.40 trot. The race was a
 close one, although "Billy C," took four
 straight heats. Time, 2.26, 2.27, 2.25,
 2.25.

—We have received from Mr. I. Richard-
 son, one of our leading market men, a report
 from headquarters, in which we find that on
 receipt of a cable from England, the buyers
 here are instructed that in the future,
 foreign markets are going to make a material
 difference between Lean Hogs and Fat Hogs,
 the same weight. We find out from Mr.
 Richardson that they require hogs from 170
 to 220 lbs. Farmers will consult their own
 interests by considering this matter, as the
 buyers mentioned here, is certainly consider-
 ing the interest of the farmer as well as his
 own.

—Walter Wood has been promoted from
 the St. Catharines branch of the Bank of
 Toronto to the head office in Toronto. His
 ability as hockey player had doubtless
 something to do with the change. The
 Empire of Monday in reporting Saturday's
 game, Bank of Toronto versus Bank of Com-
 merce in which the Toronto's won, says,
 Wood the new St. Catharines man proved
 a valuable addition to the defence. He is
 well up in all the points of the game, sure
 and cool-headed. His passing to Rankin and
 Warden contributed greatly to his team's
 success. The Reporter joins with Walter's
 many friends here in congratulations.

—The Rev. T. W. Allen met with a very
 severe accident on Thursday evening last.
 He had gone out to the Marsh with the
 young people where they were giving "Our
 Toys," and after the entertainment was
 over, proceeded to the stall to get his horse
 to return home, but when placing his hand
 on what he supposed was his own animal, he
 received a kick in the abdomen of a very dis-
 tressing nature, requiring three stitches to
 be put in by the doctor. Some fiend had
 taken his horse from its place and put his
 own team in the preachers stall. We are
 glad to report the reverend gentleman's
 improved condition. Had the blow been a
 few inches higher up, it must have proved
 fatal.
