### TO THE PUBLIC!

Owing to the general depression throughout the country, on account of the failure of the crops and low prices of produce, R. Deyell has been unable to dispose of his large stock of Groceries, Crockery, Glassware, Silverware and Fancy Goods as advertised, therefore under the circumstances he is forced to continue the business on for another year, and solicits a continuance of the same liberal patronage that has been given him for the last 26 years. In the meantime he will continue to give great bargains in every line of goods in stock.

You can buy goods from R. Deyell 10 to 25 per cent cheaper than elsewhere. Call and see us.

#### CATARH IN THE HEAD.

Is undoubtedly a disease of the blood, and as such only a reliable blood purifier can effect a perfect and permanent cure. Hood's Sarsaparilla is the best blood purifier, and it has cured many very severe cases of catarrh. Catarrh oftentimes leads to consumption. Take Hood's Sarsaparilla before it is too late.

Hood's Pills do not purge, pain or gripe, but act promptly, easily and efficiently.

#### JANETVILLE.

There were two funerals here lately, one that of a boy, Joseph McGill, son of William McGill of Chipmonk Corners, who died at the early age of nine years. The other was that of an aged woman, Mrs. Peel, mother of Mrs. William Coulter. Mrs. Peel was once a resident here and was held in kind remembrance by the older members of the community.

Last week an enjoyable party was held at the home of Mr. Fisher. It is whispered that those who left very early did not enjoy it.

A successful revival meeting has been conducted here for the past three weeks by Evangelist Rogers and Rev. Mr. Fusc. Mr. Rogers goes next Lindsay to assist Rev. Mr. Hill in special services.

#### THE MODERN INVALID.

Has tastes mediocally, in keeping with other luxuries. A remedy must be pleasantly acceptable in form, purely wholesome in composition, truly beneficial in effect and entirely free from every objectionable quality. If really ill he consults a physician; if castigated he uses the gentle family laxative, Syrup of Figs.

#### FRANKLIN.

Business has become lively here again. Wood and telegraph poles are the order of business with the farmers. Our merchants have shipped several car loads to Port Hope.

There was an oyster supper at which a very enjoyable and pleasant time was spent at the residence of Mr. Fitch on Friday evening. A number of neighbors and friends met there together to give him and his wife a social honor before leaving from among us. Mr. Fitch and family are only one year here and during that time have made many warm friends.

Quite a number from here took in the Omeme races, all got home safe and say they were good.

Mr. Ben. McGill, Miss Francis J. Cairns and Miss Mary M. Magill spent a few days last week visiting their uncle and aunt, Mr. and Mrs. W. J. Fallis.

Rheumatism Cured in a Day—South American Rheumatic Cure for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause, and the disease immediately disappears. The first dose greatly benefits. 75 cents. Sold by A. LEACH, Druggist.

#### FIFTH LINE, CAVAN.

Mr. Thomas Rowe left on Wednesday last for his new field of labor being employed by Mr. Armstrong one of Orono's prominent store keepers.

Mr. Edward Fallis and mother spent Sunday with friends in Monaghan.

Miss Maud Mullen has returned after a visit of about six weeks with friends in various towns.

Mr. Lewis Woods has returned home after a four weeks visit with friends in Trenton. Mr. John Brown has returned from Souris Man, he speaks highly of the country and has a slight idea of returning in the spring.

What we would like to know? How Sam enjoyed the woods? How H. enjoyed his walk to the sixth Line? When the Doctor's are going to experiment on their patients again? When W. is going back to the long swamp? What horse Mr. E. is going to take next Sunday? How Will enjoyed his drive to Orono? What happened John last Sunday? When Mr. G. is coming up again?

#### CENTREVILLE.

Mr. Rolland of Queen's College Kingston preached two good practical sermons in the Presbyterian church last Sunday.

We are pleased to note that Miss Maggie Deyell, Messrs John Hall and Robt. Brown, who have been quite ill are on the way of recovery.

Mr. and Mrs. Brown of Baltimore spent Sunday with their daughter, Mrs. John Byers.

We regret to note that Miss Jennie Robinson, teacher of Fairview school is ill, but hope that she will soon recover.

Dr. Beattie of Elizabethville, was here last Monday.

Our popular hotel-keeper, Mr. James Bullard who purchases cattle in this locality for shipment, took quite a drove to Millbrook last week.

#### How to get a "Sunlight" Picture.

Send 25 "Sunlight" Soap wrappers (wrappers bearing the words "Why Does a Woman Look Old Sooner Than a Man") to Lever Bros., Ltd., 43 Scott St., Toronto, and you will receive by post a pretty picture, free from advertising, and well worth framing. This is an easy way to decorate your home. The soap is the best in the market and it will only cost 1c. postage to send in the wrappers, if you leave the envelope open. Write your address carefully.

#### THE INDEPENDENT ORDER OF FORESTERS.

#### A Prosperous Fraternal Society.

Among the many Societies that are competing for public favor there is probably not one that enjoys the confidence of the public to a greater degree than the INDEPENDENT ORDER OF FORESTERS. From information that we have received from Mr. Smith, the Court Deputy for the local Court, we learn that the membership of the whole Order is 54,000, the net increase for the year that closed on the 31st December, was 10,500, of the large membership 22,000 are in Ontario.

The friends of the Order claim that it leads all other Orders in our great Province. The number of Subordinate Courts, in Ontario, is 530. 61 of these were instituted during the year just closed. During the 19 years of its operations it has paid to widows and orphans and to distressed brethren about two million one hundred thousand dollars, and has, at present, a cash surplus, for the benefit of policy holders, of \$358,857.89. A gain in the surplus for one year of \$278,000. The death rate has only reached the remarkably low average of 5.29 in the 1000. The Order has encountered a good deal of adverse criticism, its rates have been pointed out as being too low, but its friends have demonstrated again and again their ability to pay all claims at the same time to accumulate a handsome reserve. They claim that the teaching of experience proves that their rates are ample, and certainly the record the Order has made would seem to bear out this contention.

In the press, and on the platform, the advantages of the Order have been set forth with marked ability and moderation by the Supreme Chief Ranger, Dr. Oronohyatekha, the High Chief Ranger of Ontario, the Rev. A. Macgillivray, and by many other prominent officers and members of the Order. The Fraternal features of the Order are carefully cultivated, and many acknowledge gratefully the kindnesses received at the hands of their brethren.

We have pleasure in giving these facts, knowing that they will be read with interest not only by our readers, who are members of the Order, but by others who will be pleased to learn of the continued prosperity and growth of this Fraternal Society.

SHILOH'S CURE is sold on a guarantee. It cures Incipient Consumption. It is the best Cough Cure. Only one cent a dose; 25 cts., 50 cts. and \$1.00 per bottle. Sold by A. LEACH.

A sleighing party went down to Millbrook on the cars last evening. This was in reality a paradox, and reminds one of the old song of the man who took the cars and walked across the ocean.—Examiner.

The first sign of spring, 1894, at Turnbull's, is the arrival of a large shipment of Embroideries direct from Switzerland, comprising very fine Edgings with insertions to match. If you have not had a web of our fine quality Gray Cotton in 30 yard ends, ranging from 6 to 10c. per yard, you should try one, they are easily bleached and extra good value. Our White Cottons are hard to beat.

Just received, 2 cases Job Flannelettes, good quality, same prices as lower grades. New Prints in neat Patterns for Children's wear and Aprons.

Just received a full range of Shirtings, Cottonades and Tickings at new prices—they are worth looking after. A large range of Towels and Towelings, imported direct from Glasgow, the best market in the world for these goods. We pride ourselves on having the best makes at the lowest prices.
