A Little Daughter

Of a Church of England minister cured of a distressing rash, by Ayer's Sarsaparilla. Mr. RICHARD BIRKS, the well-known Druggist, 207 McGill st., Montreal, P. Q., says:

I have sold Ayer's Family Medicines for 40 years, and have heard nothing but good said of them. I know of many

Wonderful Cures

performed by Ayer's Sarsaparilla, one in particular being that of a little daughter of a Church of England minister. The child was literally covered from head to foot with a red and exceedingly troublesome rash, from which she had suffered for two or three years, in spite of the best medical treatment available. Her father was in great distress about the case, and, at my recommendation, at last began to administer Ayer's Sarsaparilla, two bottles of which effected a complete cure, much to her relief and her father's delight. I am sure, were he here to-day, he would testify in the strongest terms as to the merits of

Ayer's Sarsaparilla
Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

TOWN TALK

Get the genuine Kickapoo Remedies at A. T. Elliott's drug store.
—Mr. W. Turner of Toronto is in town.
—Miss Violet Kerr of Lansdowne is home for a few weeks.
—Miss Mina Bateson spent last week with friends in Garden Hill.
—Kickapoo Indian Remedies—the genuine—be sure to get them at A. T. ELLIOTT'S.
—Mr. Herb. Armstrong of Buffalo, is home on a visit to his parents.
—Miss Edwena Eakins has returned from a visit with relatives in Toronto.
—Johnston & Fair, all steel, and hand made axes are superior to anything in the market.
—The fireman have postponed their concert until a later date, probably the first week in March.
—Nineteen and six-tenths below zero on Monday morning by Leach's self-registering automatic thermometers, and no mistake about it either, for it felt that way.
—Sleigh Bells, in body and back straps, marked down low to suit the times. Johnston & Fair.
—Our editorial and other matter is crowded out this week, to make room for Counties council proceedings which will be as interesting to most of our readers.
—Mr. Walter Kerr, who left his native town nearly a year ago, to accept a position in a store in the town of Owen Sound, has been home for the past two weeks.
—The Ven. Archdeacon Allen entertained the members of the church choir to an oyster supper at the rectory on Thursday evening last, when a very pleasant evening was spent.

CONSUMPTION

is averted, or if too late to avert it it is often cured and always relieved by

Scott's Emulsion

the Cream of Cod-liver Oil. Cures Coughs, Colds and Weak Lungs. Physicians, the world over, endorse it.

Don't be deceived by Substitutes!
Scott & Bowne, Belleville, All Druggists, 50c. & 41.

—Johnston & Fair, hardware dealers, are offering the Toronto Blade, Invincible and Premier cross cut saws, all of which are warranted, at greatly reduced prices. 1-

—Mr. H. McCartney who has purchased the Armstrong residence, has (so rumour says) sold his own fine villa to one of our enterprising benedicts who has been asked to change his unsettled ways. Slow—an sure all the samey.

—Wm. Thexton has just received the following reasonable goods: One carload of the celebrated Cumberland Smelting Coal, the best money can buy, one carload of Land Plaster, the best and cheapest, also one carload of No. 1 Timothy Hay in bales. Prices are right. 41

—Rev. Mr. Hunter of Toronto is on a visit to friends in this neighborhood and attended the funeral of the late David Armstrong on Monday.

—Mrs. John Sutcliffe of Mount Pleasant and Mrs. David Mawhinney of Holland, Man., mother and sister of the late Mrs. Green, are visiting at G. Walter Green's.

—Mr. R. B. Small of Cheboyagan, Michigan, is on a visit to his brother, Mr. G. H. Small, of THE REPORTER staff, whom he has not seen for seventeen years.

—It has been decided to use the proceeds of the minstrel concert to secure a piano for the town hall. This is something that every church and society are interested in and they should not only attend, but aid in every way to make it a success. Feb. 16th. See large bills, await programmes.

—The date is fixed for the minstrel entertainment, Friday, Feb. 16, and now all that remains for you to do is to fix it in your mind, for if you miss this evening of plantation scenery and song and joke you will be sorry indeed, and might as well lose a year of your life.

—The Rev. W. C. Allen was again able to take charge of the service in his church on Sunday morning last and very feelingly referred to the interested solicitation of his friends for his recovery. Dr. H. Turner relieved the Rev. gentleman of part of the service. In our mention last week of the accident, we inadvertently got the initials of the Ven. Archdeacon affixed to the junior, but trust no serious consequences will result.

—For some years Pe'erboro' has had more hotels in proportion to population, than probably any other Canadian town. On and after the first of May next, 18 hotels and 4 shops will be the limit. The saloons will probably go now. There will be some tall wire pulling done during the next three months.

—The latest fad is a poverty social. Every woman must wear a calico, and every man his old clothes. In addition each one is fined twenty five cents if he or she does not have a patch on his or her clothing and a prize is given to the one wearing the poorest clothing. A good chance for newspaper men to shine.

—Mr. David Armstrong, one of Cavan's old settlers passed away on Saturday last. Deceased had been afflicted with that slow but sure malignant disease, cancer, and although an operation was undergone over a year ago, it only acted as fuel to the flame that ultimately overcame him. A large gathering of friends from township and village paid their last respects by attending the funeral on Monday last.

—The Canadian Home Circle, Millbrook, will hold their annual "At Home" in their rooms on Monday evening, Feb. 12th. A good programme is provided for the occasion, when some of the supreme officers will address the meeting. Rev. W. R. Young of Peterboro' will also be present. Visitors will be admitted by card.

—Our unpracticed curlers who were so successful in Port Hope last week have additional reason to shake over their success in light of the tankard competition. With very little change in the personell of the Port Hope team in their match with Oshawa, Port Hope lost by two points the same number as they were beaten by Millbrook ergo Millbrook is as good as Oshawa. Then Oshawa beat Whitby ergo Millbrook is better than Whitby, Oshawa won the Dryden cup ergo Millbrook being equal with Oshawa without practice would have won the cup with practice.

—Are our grain buyers aware that farmers are taking their barley and other grains past our village (yes through our very streets) to Cavanville to market, a bushel saving as much as four cents a bushel. There's a screw loose somewhere, and in the interests of buyers and the village as a whole, it should be looked into.

—A lady in Moosejaw writes as follows regarding the weather there:—"Our house is banked 18 feet thick with snow and ice. We have 16 stoves going and 120 tons of hard coal in the shed. There is enough water in the cellar to do us till spring. We have overcoats on all the cattle and I am busy knitting socks and mitts for the ducks and geese. It is only 60 degrees below zero now but when the cold snap sets in we anticipate a need of more clothing."

—Mrs. A. E. Williamson, president of the Toronto Diocesan branch of the Women's Auxiliary to missions, will address the members of St. Thomas' branch, Millbrook, on Tuesday afternoon at 3 o'clock, in the Sunday school room. All W. A. members in the Parish, are earnestly invited to attend, and all women, whether members or not, are welcome. Tea will be provided for the members after the meeting.

—The council meeting on Monday evening was very interesting and if it were not our court of appeal for local matters it would not be out of place to say it was highly amusing sometimes. The public should attend these sittings. They are a good educative medium although the talking is all done by one or two, but Lacey has to pay his taxes for land he got no use of, being occupied by the new street. The minutes are in another column.

Coughs and Colds.—At this season when coughs are so prevalent, an effectual remedy, and one easily obtained, is Perry Davis' Vegetable "Pain Killer." It is no new nostrum, vended by unknown agents, but has stood the test of over fifty years; and those who use the article, internally or externally, will connect with it grateful recollections of its worthy inventor.

—An entertainment and presentation in the interest of Trinity church Sunday school took place in the Marsh school house, on Thursday, Jan. 25th, at 7.30 p.m. The children, under the instruction of Mrs. W. C. Allen, had learned a number of Christmas carols, which they sang at intervals during the evening and certainly were rewarded for their care and diligence in preparation, by the evident appreciation of their efforts on the part of those present. Songs were sung by Miss G. Elliott of Millbrook and Mr. Fenning of Toronto, a reading was given by the Rev. W. C. Allen, after which, the chairman on behalf of Ven. Archdeacon Allen presented to Miss D. Wood an historical work, in recognition of her services as missionary collector extending over a period of 14 years. The Rev. W. C. Allen gave illuminated new year's text cards to the members of his Bible class, after which on behalf of the children of the Sunday school, the chairman explained that instead of the intended book gifts to the members of the Sunday school the children had voluntarily resigned their expectancies so that a suitable gift might be presented to Mr. Simpson Shaw, superintendent of the Sunday school, to mark their thankfulness for his long, laborious and self-denying work on their behalf, this had accordingly been done, and the children were to be highly commended for their unselfishness. A handsome chair was then presented to Mr. Shaw, after which the recipient thanked the donors in appropriate and feeling terms. The distinguished Millbrook company whose names are now familiar, then presented amid great applause "Our Toys," after which a most enjoyable entertainment concluded with "God save the Queen."

REV. FATHER SHAW, P. F., New Glasgow:—To all who may be suffering from that prevalent and horrible disorder called Dyspepsia I say with confidence, go at once and procure a package of K. D. C., and before you consume the contents of one package you will thank me for directing your attention to this wonderful cure.
