BAILIEBORO.

The anniversary service of Christ church was held on Sunday, Jan. 21st at 3 p.m. There was a large congregation and the music and responses were hearty and congregational. In the absence of the appointed preacher, who was detained through illness, the sermon was preached by the Rev. W. C. Allen from text, Philipians III, 14. In the course of his remarks the reverend gentleman referred to the unity which had marked efforts of the congregation hitherto, the continuance of which would lead to the success of their undertakings. The special collection amounted to about seventy dollars. On Friday the 26th an entertainment was held in the basement of the church. Mr. Thomas McCamus, church warden, occupied the chair. The programme was a varied one, and comprised by local and Millbrook talent, it consisted of music, recitations and the now well known musical and dramatic sketch "Our Toys," which was very ably presented by the following dramatic persons: The Misses Collins, Elliott, Needler, Wood, and Messrs. Collins, Feunung and Leach, all of Millbrook. Mrs. W. C. Allen played the accompaniment. The entertainment like the anniversary service was a success and the amount realized was \$18.00. The church people are to be congratulated on the continued success of their efforts in so worthy a cause as the liquidation of their church debt.

Daniel Ritz, Proprietor and Publisher of the Hamberg, Ont., Independent says: "I was suffering from Dyspepsia and Liver Trouble, I took a few bottles of Shiloh's Vitalizer and it cured me. I can heartily recommend it." Sold by A. LEACH.

Mr. W. T. Stead, the distinguished London editor, has been in America for some weeks, a part of which time has been spent in Canada. Mr. Stead has long been a warm friend of Lord and Lady Aberdeen, and his recent sojourn at Ottawa as the guest of the Governor-General has resulted in a very readable and complete character sketch of Lord Aberdeen and his accomplished wife, which appears in the January number of the Review of Reviews. The article is one which will be interesting in North America on both sides of the boundary lines and interesting also in Great Britain. The article is profusely and attractively illustrated. It is followed by a summarized report of the address given by Mr. Stead in Toronto upon the mission and destiny of Canada, in which Mr. Stead dwells especially upon the position of Canada as a connecting link between the British and American halves of the English-speaking race.
