PETERBORO NEWS

Franchise Granted for an Electric Street Railway. Peterboro, March 11.—Peterboro, is now tolerably sure of having an electric street railway this summer. After two or three days of activity in municipal circles the Council met last night and granted the franchise to the Canadian General Electric Company. Messrs. Ahearn & Soper, of Ottawa, who were the cause of the question assuming a pressing importance, disappeared from the scene at the committee meeting on Thursday night. Mr. A. Elliott, of this town, then put in an application, but as he also failed to put up the \$5,000 forfeit, the question narrowed down last night to the Canadian General Electric Company and the Peterboro and Ashburham Street Railway Company, with the result that the former was given the franchise. They are bound to have over a mile of the road built by August 1 next, an additional mile completed in 1894-95 and another additional half mile in 1896. They must do this and carry out the other provisions of the agreement or forfeit the \$5,000 cheque they have deposited with the town as a guarantee of good faith. The franchise is for 20 years.

Cavanville.

On Monday night last week a number of our best citizens spent a pleasant evening at the home of Mr. John Pritchard. At the close of the amusements, taffy was served in good style and hilarity prevailed till the clock, with its warning hand indicated that the time had come when courtesy demanded the retirement of the assemblage, and all on leaving were loud in the praise of Mr. and Mrs. Pritchard in their capacity of host and hostess.

Mr. John Whitfield is happier than ever. His wife presented him with a young daughter last week.

The annual school concert will be held on March 24th, committees have been organized and the preparation of an interesting and instructive programme is going on very successfully. While some of the old-time favorites will be on the programme again, there will be new talent, new plays and enough newness added to make it worth 20 cents to hear. Remember the receipts are devoted to school apparatus and supplies. A violin artist and a Scotch vocalist have consented to appear in one number and delight their hearers. Everybody welcome.

Centreville.

Crowded out last week. Messrs. A. Christie & Sons who have been living on Mr. Jas. Porter's farm for the past four years, moved last week to Mr. S. Eakins' place, which they have rented.

Mr. Jas. Bateman was engaged last week cutting wood for Mr. Jas. Porter with his sawing machine.

Mr. A. Killenbeck of Millbrook moved to a house belonging to Mr. Jas. L. Fair this week.

Mr. Jas. Byers of Montreal, is helping his uncle, Mr. John Byers, in the store at present.

Our Presbyterian pastor occupied the pulpit in the Millbrook Methodist church on Sunday evening last, and the Rev. Mr. Bennett of Springville, preached here.

Mr. Jas. Peel returned home last Friday from Bexley, where he has been for a couple of weeks disposing of the produce of his farm in that township.

Mr. James Porter returned to the old homestead on Monday last after an absence of four years.

Mrs. Walker of Welome, was visiting her daughter, Mrs. Geo. Fair, last week.

BEATEN AND ROBBED.

An Old Farmer of Troy, Ont., is Dying After Losing \$500.

HAMILTON, March 12.—Residents of Troy are greatly excited over a daring burglary and murderous assault which was committed about a mile and a half south of the village early Thursday morning. The victim, Martin Carey, was terribly beaten, and lies at the point of death. The burglars stole \$5000, which was hidden in the house, and so far they have evaded arrest.

Carey is a bachelor about 60 years old, and has lived alone for many years. He owns a farm of 50 acres, which is worked on shares by Andrew Ammerman, a married man who lives a quarter of a mile from Carey. The old man lives in a lonely spot, and as he has no near neighbors the burglars could not have selected a better victim.

About 2 o'clock Thursday morning two men broke into the house, battering in the door with a stick of wood. They were not cautious burglars and did not care whether they alarmed the old man or not, knowing that he was alone in the house. Going to Carey's bedroom they dragged him out of bed, kicked him as he lay upon the floor and then tied his hands and feet and gagged him. Then they coolly went through the house in search of money. Every room was ransacked and some boards on the kitchen floor were removed. The search was unsuccessful, and the burglars returned to the bedroom and renewed their brutal attack on the helpless old man, kicking him into a state of insensibility. It is not known if they compelled him to tell where the money was hidden, as he is still speechless, but a heavy rate the thugs got about \$5000 which was stowed away in a bundle of cotton batting in the bedroom.

The money was in coin and bills. After securing the plunder the robbers gave the poor old fellow a couple of parting kicks and made their escape, leaving him bound and gagged and in a dying condition. The house was left in a terrible state of disorder, everything being topsy-turvy.

Yesterday Dr. Biggar did not have any hope that Carey would recover. He was terribly beaten, his body being black and blue from the kicks of the brutes.

Carey's condition is unchanged to-day, and as he has not recovered his speech it has been impossible to get all the story of the burglary from him. Some of the neighbors doubt that \$5000 was stolen from the old man, but they think a large amount was taken.

The body of Mr. John Lyman, of the township of Chaffey, Ont., was found mangled on Saturday morning on the railway track two miles north of Huntsville.

Mr. Yates, night-watchman of the Bridge and Tool Works Company, Hamilton, Ont., returned home to find his wife lying dead in a corner of the dining-room, although he had left her the previous evening in apparently good health. She was afflicted with heart trouble.

Entitled to the Best.

All are entitled to the best that their money will buy, every family should have, at once, a bottle of the best family remedy, Syrup of Figs, to cleanse the system when costive or bilious. For sale in 75c. bottles by all leading druggists. 9-4

Bethany.

On Saturday last Mr. John Davis' eight year old daughter Louise was buried. She had been ill with measles, which, becoming complicated with a cold, terminated fatally.

Mr. Geo. McCartney has returned from Tweed, where he attended the Grand Orange Lodge of Ontario East.

The Manvers council will meet to appoint officers on Saturday, April 1st.

There is a good deal of discussion in this township concerning the proposed bonus to where in this township to nowhere up north somewhere. It is very, very doubtful if the by-law can get through.

Mr. T. W. Evans of Yelverton leaves about the 21st inst. with a couple of loads of registered stallions and mares and short-horn cattle. Every one of the animals he is taking is registered. He handles nothing but the best class of stock, and these are no exception to the rule. He is leaving behind several good stallions, among them being Starlight, which is a very popular and effective horse, having had great success last season.

Among the horses one hears a good deal of talk about is Muckle Wilkes, owned by Mr. B. McGill of Yelverton. This fine, standard-bred horse is one that everybody speaks highly of.

Ida

The members of St. John's church, on learning of the early departure of Miss Bertha Lowes, their organist, decided to show their appreciation of her services and on Thursday evening last a committee, accompanied by the pastor, Ven. Archdeacon Allen, proceeded to the home of Miss Lowes, and after a highly congratulatory and complimentary address by the pastor, Miss Ida Mills presented Miss Lowes with a well-filled purse. Miss Lowes made a very appropriate reply and thanked the members and pastor for the highly honorary gift. Before the company dispersed a short programme was given consisting of songs, recitations &c., and an enjoyable repast served.

The road in the vicinity of Mr. John Kinsman's premises has been in a very bad state for some time. Several accidents happened a couple of weeks ago that nearly resulted in heavy loss in the horse line.
