Count the Dots

In our last competition, in which we had a circle containing 545 dots, we had answers ranging from 300 to 2,000,000. On the whole, however, our customers counted better than we expected. At the close of the competition the winners were notified of their success, and the presents awarded just as we advertised. As a proof of this and as an evidence that we have kept perfect faith with our patrons, we will send a complete list of winners (excepting those objecting to publicity) to any address on receipt of a 3 cent stamp to pay postage. We do this instead of publishing them on account of the list being so very large. In our present competition we present the above star and ask our customers to count the dots as they did with those in the circle. With it we make this offer:—
To the first three persons sending in the correct answer we will give each an elegant **GOLD WATCH** with **ELGIN WALTHAM**, **DUBBER HAMPDEN**, or other first-class movement. We will give the same to the senders of the three correct answers, who are equally far from the first and the last, and the persons sending in the last three correct answers will each be given watches exactly similar to the other six. **THIS MAKES THE GOLD WATCHES, EACH OF WHICH IS WORTH AT \$100,** that will positively be given away. A sample watch is now on exhibition at our office, and can be seen by any person interested; so if you have a friend do so, and see that they are all we claim. Remember each one is first-class and will be accompanied by a guarantee from the maker. **WE PRESENT GOLD WATCHES** in this competition in preference to PURSES OF GOLD because as a rule they last longer, and are more useful. They are shown by the delighted possessors as a guarantee that we do exactly as we promise. The watches will be presented in ladies' or gentlemen's sizes as desired. In addition we will give **ONE HUNDRED EXTRA PRESENTS** such as **SILK DRESS PATTERNS, VALUABLE PIECES OF JEWELLERY, USEFUL AND PRETTY ARTICLES FOR THE TOILET, ETC.** for intermediate correct answers. Should there be no correct answers, the presents will be distributed among those whose answers are nearest the correct number. Each answer must be accompanied by 50 cents in silver or stamps to pay for a box of Dr. Marz's Health Pills. We will give the pills and give you the present. To any person who is dissatisfied and does not find the Pills exactly as we represent them, we will return their money. Our sole object in this extraordinary offer is to introduce this excellent remedy into every home in America.

AS A TONIC Health Pills have no equal. worn-out business man finds them especially adapted to his case. They give new life and energy, and make hard work easy. **DR. MARZ'S HEALTH PILLS STRENGTHEN THE BODY AND BRIGHTEN THE BRAIN.**

YOUNG MEN Who suffer from excesses of youth, nocturnal emissions, mental worry, nervousness, should use Health Pills. They will stop your troubles, give you energy and strength, and make you yourself again.

YOUNG WOMEN Pale and tired, who weakness, scantiness, suppression of their sick headache, whites, pain in the back and bearing down pains, should use Health Pills. They restore the monthlies in all cases, build up the system, enrich the blood and make the face plump, bright and rosy.

MIDDLE-AGED MEN Suffering from "change of life," nervous prostration, decay, kidney or bladder troubles, the results of youthful follies, loss of energy, mental worry or over-work, should use Health Pills. They act especially upon the bladder and kidneys, and restore the vigor of youth to all failing organs, both physical and mental.

MIDDLE-AGED WOMEN Suffering from "change of life," headaches, pain in the stomach, constipation, piles, irregularities and mental depression, should use Health Pills. They relieve all these symptoms, purify the blood, strengthen the nerves, regulate the bowels, and assist Nature in every way.

TO THE AGED Health Pills yield sound strength to the nerves, cheerfulness to the mind and ease to the body, so that the weight of years bears less heavily as the thread of life lengthens. If the persons among whom we decide to distribute our presents object to publicity, and desire that no mention be made of their names, we will respect their wishes in the matter and forward presents to any address mentioned without the knowledge of even a third person. All communications addressed to us will be kept strictly confidential, and all correspondence regarded as sacredly confidential. In writing, address **THE PARISIAN MEDICAL CO. (Canadian Branch), 32 to 34 ADELAIDE ST. E., TORONTO.**

PRIZE REBUS

The above Rebus is a familiar saying. The Publishers of **OUR YOUNG PEOPLE** will give a fine **Gold Watch** to the person who first sends the correct answer to it. To the second a **Silver Watch**. To the third a beautiful **Gold Brooch**, with name of winner in handsome gold or silver thereon. To the fourth fifth and sixth, a fine **Gold Scarf Pin**. To the seventh and eighth, each a **\$1.00 Bill**. To the last correct answer received will be given a **Silver Watch**.
