### "When I was a Boy,"

Writes Postmaster J. C. WOODSON, Forest Hill, W. Va., "I had a bronchial trouble such a persistent and stubborn character, that the doctor pronounced it incurable with ordinary medicines, and advised me to try Ayer's Cherry Pectoral. I did so, and one bottle cured me. For the last fifteen years, I have used this preparation with good effect whenever I take

### A Bad Cold,

and I know of numbers of people who keep it in the house all the time, not considering it safe to be without it."

"I have been using Ayer's Cherry Pectoral in my family for 30 years, with the most satisfactory results, and can cheerfully recommend it as being especially adapted to all pulmonary complaints. I have, for many years, made pulmonary and other medicines a special study, and I have come to the conclusion that Ayer's Cherry Pectoral occupies a position pre-eminent over other medicines of the class."—Chas. Davenport, Dover, N. J.

### TOWN TALK

Our council proceedings and much of our correspondence is left over on account of pressure on our advertising columns.

Sligh Bells, in body and back straps, marked down low to suit the times. Johnston & Fair.

In a couple of weeks we expect to signalize the arrival of spring and the hearty and growing appreciation of THE REPORTER by bringing it out in a new spring dress.

Captain Sweedy U. S. A., San Diego, Cal., says: "Shiloh's Catarrh Remedy is the first medicine I have ever found that would do me any good." Price 50 cents. Sold by A. LEACH.

Mr. Martin Pe'hick of Gen. 4, Cavan is selling his farm stock and implements on Monday Mar. 19. The bills show a good selection for those on the lookout for bargains.

For all disarrangements of the throat and lungs, Ayer's Cherry Pectoral is the speediest and most reliable remedy. Even in the advanced stages of Consumption, this wonderful preparation affords great relief, checks coughing, and induces sleep.

Johnston & Fair, hardware dealers, are offering the Toronto Blade. Invaluable and Premier cross cut saws, all of which are warranted, at greatly reduced prices.

The Rev. Mr. Floods worth tendered his resignation of the pastoral charge of the Millbrook and Garden Hill Presbyterian churches on Sunday last.

SHILOH'S CURE is sold on a guarantee. It cures Incipient Consumption. It is the best Cough Cure. Only one cent a dose: 25 cts., 50 cts. and \$1.00 per bottle. Sold by A. LEACH.

Don't forget the recital in the town hall, on Wednesday 14th inst., proceeds to be applied to paying off balance due on town bell. The Windsor Journal says of Miss White:—"Her rendition of 'The Chariot Race,' from Ben Hur, was superb, while her bird tones in the 'Lovers and the Bird' could hardly be surpassed." For particulars see programmes.

—Miss Clara and Mr. Herbert Armstrong are in Brunswick this week visiting relations.

—Johnston & Fair, all steel, and hand made axes are superior to anything in the market.

—Shepherd's World Fair under the auspices of St. Thomas' church, March 29. Don't forget it.

—The report of the East Durham Sunday School Convention takes the place of various other items of news this week.

—Dr. Smith of Queen's College, Kingston was in town this week on his way to visit friend Waddell at Centreville.

—Assessor Kerr is now on the warpath for the season. It will be in order to make the premises up in a gone-to-rack appearance and lock the dog up in the stable.

—Pride goes before a fall, but it was not that which caused our pill vendor to measure his length on the sidewalk the other day, only a case of star gazing.

—The special services in St. Thomas church every night this week (except Saturday) are being largely attended. The Rev. F. H. Du Vernet in a very pleasant, forcible and logical speaker.

—The young people of Lakeview, Bailieboro and Coldsprings are getting up a minstrel entertainment to be given in the town hall Coldsprings, on Friday March 16th. Proceeds for charity. Success boys.

—A gang of tramps struck the village on Wednesday last and after partaking of about six hearty suppers each, given by our charitable citizens, were given a night's lodging in the fire hall.

—The arbitrators in the dispute between the United Counties and the township of Seymour have given their decision in favor of the township. The costs of the arbitration will be \$550. Seymour will pay \$75 and the Counties the balance.

—English Spavin Liniment removes all hard, soft or calloused Lumps and Blemishes from horses, Blood Spavin, Curbs, Splints, Ring Bone, Sweeney, Sprains, Sore and Swollen Throat, Coughs, etc. Save \$50 by the use of one bottle. Warranted by A. LEACH. 11-1

—Don't forget the special services for men only in St. Thomas church on Sunday afternoon at 4.15 o'clock. The Rev. F. H. Du Vernet will preach on the subject of "Social Purity." These services have been very largely attended in Peterboro, Cobourg, Port Hope and elsewhere in Canada.

—If the council don't make some escape for the water on the front-st. and allow us a crossing to the post office without putting on our high water boots or bringing out the skirts of our neighborhood past-time, the old blue books in our sanctum or the lawyer's ash pile must be carted up to bridge the difficulty.

Rheumatism Cured in a Day—South American Rheumatic Cure for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause, and the disease immediately disappears. The first dose greatly benefits. 75 cents. Sold by A. LEACH, Druggist.

—The section men north of the village killed a snake last week that had awakened from his winter nap and came gliding over the beautiful to herald the approach of spring. The report seems almost too fishy and our snake editor suggests the likelihood of Marks, I. N. L. being the cause of the unusual phenomenon.

—Miss Annie Louise White, Elocutionist, will appear in the town hall, Millbrook, on Wednesday the 14th, inst., under the auspices of Fire Co. No. 1. The Toronto Globe, says:—"Her programme was one that tested her versatility as an elocutionist to the fullest degree, and sufficed to place her in the front rank of female reciters."

Elderly people remember their spring bitters with a shudder. The present generation have much to be thankful for, not the least of their blessings being such a pleasant and thoroughly effective spring medicine as Ayer's Sarsaparilla. It is a health-restorer and health maintainer.

—Mr. W. J. Kerr, who has occupied a position in Mr. J. Steele's jewelry establishment for the past three years, leaves to-day to accept a situation in the town of Meaford. Mr. A. E. Merritt, who, for the past four years has filled a prominent place in Dr. H. A. Turner's drug store, left on Monday last for the Queen City, where, we understand, he has secured a situation. Both these young men took an active part in temperance work and will be greatly missed in social circles. THE REPORTER joins with many friends in wishing them success.

Relief in Six Hours.—Distressing Kidney and Bladder Diseases relieved in six hours by the "Great South American Kidney Cure." The new remedy is a great surprise and delight on account of its exceeding promptness in relieving pain in the bladder, kidneys, back and every part of the urinary passages in male or female. It relieves retention of water and pain passing it almost immediately. If you want quick relief and cure this is your remedy. Sold by A. LEACH.

At the annual meeting of the 40th Battalion, Northumberland, Col. Rogers announced that Capt. H. J. Snelgrove, commanding No. 1 Company, Cobourg, would be appointed on the regimental staff as Quartermaster; that Lieut. Ed Campbell would be promoted to be captain of No. 1 Company, and that H. W. Laird would be recommended to the position of lieutenant in Mr. Campbell's place. It was intimated several other official changes and promotions would probably take place before the Battalion marches to camp Kingston next June.

For Sore Throats, Sudden Cold and Diphtheria, no remedy has ever been discovered so powerful to cure as Davis' PAIN-KILLER. As a Lining, it has no equal in curing Rheumatism or Neuralgia, Burns and Bruises, and wounds of every description. It is the cheapest and best remedy ever offered to the public. Only 25c. for big 2 ounce bottle.

The second presentation by the minstrels  
on Thursday evening last, of their entertain-  
ment of song and joke was not attended so  
largely as expected, on account of the Bible  
Society meeting being on the same evening,  
but all who turned out were so far as we  
are able to hear, well pleased. For want of  
space we are unable to go over the pro-  
gramme which was presented by the same  
cast of characters as in the former concert.  
Suffice it to say that the parts were all well  
taken, we have not heard how the receipts  
pan out towards the piano fund, but know  
they cannot be large.
