THE MARSH.

The white mantel of the hills has melted and now we have twenty-five acres of this Marsh covered with two feet of water. We had a very pleasant evening at an "at Home" given by Mr. Isaac Fallis on Monday evening last. Mr. Chas. Husk has leased the farm of Mr. Thomas Kinsman for a term of years, and purposes moving there to in the spring. What we would like to see—Wes. stay at home more at nights? J. T. and A. G. on the line again? Another dance? Our school teacher on Sunday.

CAVANVILLE ROLLER MILLS.

A few reasons why farmers should patronize my mill.

- 1st. You can get just as good Flour here as can be produced by any mill in Ontario.
- 2nd. The miller is a staunch Patron of Industry, and therefore the farmers right hand man. "No combination here."
- 3rd. Farmers are always welcome here and treated like men.
- 4th. You can buy Flour here for less money than elsewhere.
- 5th. You can get any kind of coarse grain ground for 6c. per bag.
- 6th. Customers who weigh their Grain at home all say that they are honestly dealt with.

FARMERS.

I want 2000 bags of course grain to grind for you before March 1st. Remember I only charge 6c. per bag and guarantee to kill all small seeds, such as Mustard, Eoxtail, etc. Why not turn your wheat gristing, which you will require for your summer's Flour, in here during this month. We will do what is right every time.
