—The Rev. P. N. McCamus was in Peterboro on Sunday, preaching the annual missionary sermon in the Charlotte-st church.

—The Rev. Mr. DuVernet left for Toronto on Saturday, after a fortnight's very successful mission in St. Thomas' church.

—Mr. J. W. Staples of Poetspool, saw miller has made an assignment to Mr. A. A. Smith. See notice of meeting of creditors in another column.

SHILOH'S CURE is sold on a guarantee. It cures Infant Consumption. It is the best Cough Cure. Only one cent a dose—25 cts. 50 cts. and \$1.00 per bottle. Sold by A. LEACH.

—Cavan minutes are left over for next week, together with much other copy, as also certain obituary notices which will find space then.

—Parkers Dye Works and Peterboro' Steam Laundry. Dress Shirts, Collars and Cuffs a specialty. Goods sent Tuesday of each week. D. CHAMBERS.

—Messrs Ira Natras and Stanley Carveth have purchased the butcher business of Lancashire & Scott and may be expected to give prices cut to the bone and sustain right from the shoulder.

—Miss Pendrie has returned from Toronto millinery opening to again take charge of Sadtler Bros. millinery opening. —Canadian Wharton.

—Mr. A. Leach has been appointed agent for the money order department of the Express Co. This will be very convenient for those sending small remittances.

—Let us have our streets scraped and generally tidied up and put on a good spring appearance. How is that front or back yard of yours. "Bring out the shovel and the hoe."

—Itch on human and horses and all animals cured in 30 minutes by Woodford's Sanitary Lotion. This never fails. Sold by A. LEACH, Druggist.

—We beg to draw the attention of our South Monaghan readers to the minutes of last council meeting in this issue, and in next week's issue look for abstract statement of receipts and expenditure for 1893.

—Mr. R. J. Taggart of Souris, Man., is on a visit to the home of his youth here. He has made an extended tour around by California and through the Southern States, landing in Millbrook.

—Captain Sweedy U. S. A., San Diego, Cal., says: "Shiloh's Catarrh Remedy is the first medicine I have ever found that would do me any good." Price 50 cents. Sold by A. LEACH.

—Wm. Kinpion's barn, south west of the village and outbuildings together with the contents, except two horses, were destroyed by fire on Monday night. Cause unknown, unless it was some tramp carelessly using his pipe.

—Mr. and Mrs. J. W. ... were suddenly called away by wire on Thursday last, to the bedside of Mrs. Kells' father in New Jersey. A later report informs us that the aged gentleman passed away on Saturday. Further particulars not yet to hand.

—Mr. John W. Beatty and wife, of Rochester, were noticed in town on Saturday. They went to Millbrook to visit there and expect to complete their visit among friends here upon their return from the north. —Guide.

Daniel Ritz, Proprietor and Publisher of the Hamberg, Ont., Independent says: "I was suffering from Dyspepsia and Liver Trouble, I took a few bottles of Shiloh's Vitalizer and it cured me. I can heartily recommend it." Sold by A. LEACH.

—Sheppard's World's Fair under the auspices of St. Thomas' church on March 29th. This is said to be the best thing of the kind on the road, so don't miss it. See advertisement in another column.

"Sudden Colds."—At the commencement of a cold take a teaspoonful of Perry Davis' Pain-Killer in a little milk and sugar, and the cure is more sudden than the cold. Only 25c. New Big Bottle.

—Express parcels are now delivered punctually on arrival and without any tips either. This is an improvement much appreciated by our business firms. Thanks Mr. Express Co., thanks Mr. Cochrane, thanks to THE REPORTER Next.

The trouble with most cough medicines is that they spoil the appetite, weaken digestion, and create bile. Ayer's Cherry Pectoral, on the contrary, while it gives immediate relief, assists rather than impairs the assimilative process.

—The concert advertised by the Fire Company for Wednesday last has been postponed. Miss White was on hand, but on account of the state of the roads and the bad choice of the evening the prospects of a crowd were so slim that it was thought best to wait for a future date.

—The Peterborough Review of Monday, in making an extended report of the missionary sermon preached by the Rev. D. N. McCamus of our village in the Methodist church there on Sunday last, says: "His sermon in the evening was an intellectual and earnest effort."

"What's in a name?" Well, that depends. For instance, the name of "Ayer" is sufficient guarantee that Ayer's Sarsaparilla is a genuine, scientific blood-purifier, and not a sham, like so much that goes by the name of "sarsaparilla." Ayer's Sarsaparilla is the standard.

—Mr. John Gillott wishes us to state that he was not a self-appointed census taker, but only acted upon the advice of the commissioners and the clergy. No offences Bro. Gillott, only the REPORTER hopes the \$177 has grown to a full rounded number of units since the previous cast up, because Erer Wilson of the Guide will be non-plused by fractional digits when he comes to adjudicate.

—English Spavin Liniment removes all hard, soft or calloused Lumps and Blemishes from horses, Blood Spavin, Curbs, Splints, Ring Bone, Sweeney, Sprains, Sore and Swollen Throat, Coughs, etc. Save \$50 by the use of one bottle. Warranted by A. LEACH.

—Now who can bring THE REPORTER the biggest egg for Easter Sunday. If you haven't an extra large one, two mediums will do. We will measure them by our press-room rule and also by our stomach gauge. We have a teeth-watering recollection for double yokes ever since our boyhood ecstasy led us to lay aside a sufficient store in the hayloft for the long expected day, for our maternal ancestor would neglect or forget the small boys voracious appetite.

REV. GEO. CRAW, Barrie, Ont.:—Your medicine has—with the blessing of a gracious Providence—proved quite a boon to me. Having labored in these parts for nearly thirty years my recovery is widely known, and several hearing of my case have been induced to give K. D. C. a trial, and in almost every case it has done good.

—We report with feelings of sorrow the death of Mr. Richard Fallis of Cavan, on Tuesday last. Deceased had been only ailing for one week, and with his extremely active and wiry disposition, his friends had little doubt of his recovery but on Monday a turn for the worse ended in the death of one who will certainly be missed. We will make a more extended reference next week in regard to one whom THE REPORTER had only lately known but highly esteemed. Funeral Thursday at 2 p.m. by L. O. L., No 79.

—It is an old adage that "misfortune never comes singly" and it has been verified in a coincidence of very sorrowful circumstances in our village within the past week. Both families of our leading firm of general storekeepers Kells Fowler & Co. have had sorrow enter their respective homes. While Mr. and Mrs. Kells were away across the border, laying aside the mortal remains of Mr. Moore, Mrs. Kells' father, and before the clouds, verdant with spring's beauty had covered the coffin there, the colder mud in God's acre at Gardiner's, has been returned to receive all that is left of Mr. Richard Fallis, father of Mrs. George Fowler. Truly "in the midst of life we are in death."

THE SPRING MEDICINE.
"All run down" from the weakening effects of warm weather, you need a good tonic and blood-purifier like Hood's Sarsaparilla. Do not put off taking it. Numerous little ailments, if neglected, will soon break up the system. Take Hood's Sarsaparilla now, to expel disease and give you strength and appetite.

Hood's Pills are the best family cathartic and liver medicine. Harmless, reliable, pure.
