Rheumatism Cured in a Day—South American Rheumatic Cure for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause, and the disease immediately disappears. The first dose greatly benefits. 75 cents. Sold by A. LEACH, Druggist.

PONTYPOOL.

Wheels have taken the place of runners now and our roads are quite dry. Ice on the rink is slightly disfigured.

Scarletina is quite prevalent among the youth of our village.

One of our respected citizens in the person of John Henry Mahood, and his family have removed from our midst and have sought a home in Kincairdine. They will be very much missed here and we wish them success in their new enterprise.

We hear that the members of the I.O.O.F. purpose having an entertainment on the 26th of April. If they do we know that they are the men that will make the success of a concert a foregone conclusion.

Mr. John Hanna attended the Grand Council of Chosen Friends which was held in Toronto last week and he reports the progress of the fraternity as being very satisfactory.

We are very sorry to learn that Dr. Phillips who has been among us during the last five years has decided to dispose of his practice. Dr. Phillips has gained the confidence and esteem of all and we feel we are losing a good friend as well as an able M. D. We understand he contemplates taking a post graduate course of instruction in Europe, where he will fit himself for a first-class surgeon. We therefore wish him a happy and prosperous life. We believe Dr. L. Lapp, B. A. of Toronto will be his successor, if so we congratulate Dr. Lapp in securing Dr. Phillips' successful practice and from what we have heard of our new M. D. we feel confident in recommending him to each and every patron of Dr. Phillips.
