### High School Commencement

A very hearty "Well Done" must be given to the students and teachers of the Millbrook High School for the commencement programme presented on Friday and Saturday evening of last week. It was quite evident that a great deal of time, effort and enthusiasm had to be expended in preparing this programme and the manner in which it was received was apparent by the number of people standing in the back of the hall and even in the stairway. If this continues, and I am sure it will, the students will have to look for larger accommodation to present next year's commencement exercises. We often hear the cry that there is nothing for the young people to do in Millbrook. I think that with the advent of a new High School, the answer lies in such programmes as these. The talent is there, in these young people, as was shown in their programme, and so what about a drama club and a school orchestra for evening activities when a new school is built. Once again to these students and teachers we say "Well Done M.H.S."

Reg. Hopkins.

Mr. and Mrs. Lav. M. Fallis were visitors with their son and daughter-in-law, Mr. and Mrs. David Fallis, at Whitby over the weekend.

Miss Etta Campbell and Mrs. Irene McKinnon of Toronto, spent the weekend with Miss May Needham, and went with her to see Miss Edith Sheppard in Civic Hospital, Peterborough where she has been a patient for nearly six months, and who we regret to say, passed away on Monday, March 2nd.

Mr. and Mrs. Clifford Hudson of Toronto, called to visit the latter's mother, Mrs. Dave Patton, on Sunday.

### SURE SIGN OF RETURN

We were pleased to see on Monday the sun shining in our north-west window for the first time this year, a sure sign old Sol is on his way back to the Northern Hemisphere and Spring is just around March 21.

Crows have made their appearance and their caw sounds like a canary's song after the tough old winter we are just ending.

### MILLBROOK UP-TO-DATE

The news items re roofs being caved in from the weight of snow and ice in different parts of the province, including Peterborough, proves that Millbrook is up-to-date in this respect, as the back end of the local bowling alley covering the part where the pins stand, gave way a couple of weeks ago due to excessive weight caused by snow and ice. This was immediately repaired and the alleys put back in working order.

### SNEAK THIEVES AT WORK IN MILLBROOK

We understand the garage at the corner of King and Tupper streets formerly occupied by Bev Reid, now rented by Ted Scott, was entered over the weekend and a quantity of oil stolen.

About a week ago the lock on Reid's Garage, Tupper St., had been tampered with, and had to have a new one put on. This is evidence enough that some person or persons tried to gain entrance to the new premises without success.

### FORMER MILLBROOK BOY DIES IN KELOWNA B.C.

Word has been received of the death of Dr. Horace Wood of Kelowna, B.C. Dr. Wood attended High School in Millbrook a number of years ago and on graduation from Dental College moved to Vancouver where he practiced, and from where he retired about 5 years ago to move to Kelowna. He was a brother of the late Arthur Wood, a former Reeve of Cavan Township, and uncle of Mrs. Homer Ouellette, Millbrook, and Mrs. Keith Larmer of Fraserville.
