When buying Land Plaster knead it in your hand. If you find coarse grit or sand in it have nothing to do with it, as it will not dissolve with moisture, which thereby renders it useless as a fertilizer. Buy the old reliable GREY Plaster. It is ground fine and needs only to be tried to be appreciated. I can give it to you in either bags or barrels.

Another Car Load of Sack and Barrel Salt to Arrive Shortly.

Also Fresh Lime, Water Lime, Shingles, Sash, Portland Cement, Plasterers' Hair, Doors, Frames.

Lumber of every description, also Dressed Lumber in great variety. I am offering a good door for \$1.60, Shingles, \$1 per M. and other material correspondingly low. A call solicited.

A petition was received from Mr. Johnston Kennedy, asking a rebate of the amount of his last year's license, as he had his hotel open but four months and had to pay for a full year. On motion the matter was laid over till the next meeting.

Mr. Wm. Hannah, president of the Manvers agricultural society, and others, addressed the council on the subject of the society's affairs, stating that they were in debt on account of the agricultural grounds, and they asked the council to make them a grant of a sum of money to aid them in liquidating their indebtedness.

Moved by Mr. Evans, seconded by Mr. Porter, that the verbal application of Mr. Wm. Hannah and others be received, and that this council grant the sum of \$100 to the Manvers agricultural society. Carried. Yeas—Evans, Porter, Wilson, Nays—Preston, Barnicutt.

Verbal applications were made by Mr. Henry Hutchinson to be allowed to perform the whole of his statute labor on the road division at the north end of his lot; by Mr. Robt. Porter, stating that he wished his wife's name to be struck off the indent list, as he was able and willing to support her; by Mr. Robt. Thorndyke\* to have some repairs done to the road near his mill; by Mr. Wm. Scott, to have fences removed from off the allowance for road between the 1st and 2nd concessions of Manvers; by Mr. Johnston Morton, with reference to gravel for use on the highways near Bethany.

On motion it was resolved that Mr. H. Hutchinson be allowed to perform the whole of his statute labor on the road division at the north end of his lot.

Moved by Mr. Barnicutt, seconded by Mr. Evans, that the amount heretofore granted to Mrs. Robert Porter, as an indent, be discontinued. Carried.

Moved by Mr. Evans, seconded by Mr. Porter, that Reeve Wilson and Deputy Reeve Barnicutt be a committee to see what arrangement can be made with the representatives of the estate of the late James Crozier to purchase part of lot 24, 8th concession, for the purpose of taking gravel therefrom for use on the roads of this township. Carried.

A telegram was received from Mr. J. A. Barron, asking this council to meet him at Janetville on Monday re Lindsay, Bobeaygeon and Pontypool railway.

Moved by Mr. Preston, seconded by Mr. Porter, that when this council adjourns to-night it shall stand adjourned until Monday, April 10th, to meet at Janetville at two o'clock p.m., provided the Reeve in the meantime receives assurances from the directors of the L. The auditors' report for the year ending December 31, 1892, was then presented and examined.

Moved by Mr. Preston, seconded by Mr. Evans, that the auditors' report of receipts and expenditures of the township of Manvers for the year ending December 31, 1892, be received, and that the same be finally audited by this council, and that the clerk be instructed to have 100 copies of the same printed for distribution. Newcastle Loses an Old Resident.

Newcastle, Ont., April 4.—One of our most respected and esteemed residents, Mr. Frederick Farucomb, is dead. Mr. Farucomb was born in London, Eng., 67 years ago. He came to Canada at the age of 24 and settled in Newcastle, where he has since resided. He was postmaster of this place for five years and was collector of customs for 25 years. By death the Church of England here has sustained a loss which is almost irreparable, as he was one of her most prominent members, having served as ward-en for over 25 years. He leaves a wife and five children to mourn his death. His family consists of one daughter and five sons. Three of the sons are ministers and the other two are doctors.

Seeking Business

A circular recently issued by the Port Hope Harbor Board, gives an idea how that town secures business for their harbor. After drawing attention of shippers to the facilities afforded at that place for storing and shipping, the commissioners state that they will "unload lumber from open cars, and attend to the shipping of the same, for 16 cents per thousand, including tolls."
