4-H MEMBERS TO DISPLAY IDENTIFICATION SIGNS AT FARM ENTRANCE

A meeting of the members of the Millbrook 4-H Calf Club was held on Tuesday evening at the home of Mr. and Mrs. Mervin Smith, with 19 members present.

Mr. Dalrymple, the Agricultural Representative, showed films on the different breeds, types, and conformation of both beef and dairy cattle, explaining for the benefit of some comparatively new members the more desirable points to look for in judging.

Signs were also distributed to members, to be displayed at the entrance to their farm identifying them as members of a 4-H Club.

Tentative plans for the next meeting were made to take the boys and girls on a judging tour of some of the prominent herds in the district.

He won first, a \$50.00 prize given by Ashby Fishing Club, Rhode Island, N.Y., also another \$25.00 being first given by The Hunting and Fishing Club of Montreal. He also received a second prize, a \$50.00 Bond from "Field and Stream".

Pulpit Fall Dedicated At Grace Church

A beautiful wine coloured pulpit fall bearing a burning bush embroidered in full colours with metallic highlights, and with metallic fringe has been given as a gift to Grace Presbyterian Church by one of its very loyal and faithful members Miss Agnes Johnston in memory of her grandparents, Mr. and Mrs. David Johnston.

In the 1840's they worshipped with the Presbyterian congregation in Millbrook, walking many miles from Manvers Township to be in the Lord's house.

Rev. Walter Patterson, Minister Emeritus of Grace Church, assisted in the service on Easter Day and also in the dedication of the pulpit fall by Rev. W. H. Heustin.

Amusing Incidents

Good Reason Why
In a local home where a new baby girl recently arrived, the infant was doing considerable crying which annoyed an older sister not yet of school age, who asked her mother: "Do babies come from heaven?" to which the mother assured her that they did. Then said the youngster "No wonder they put her out".

Back Fired
Another amusing incident which happened in the village has also come to our hearing. It seems a local man found out his young son had been smoking, and to cure him, as he thought, secured a cigar and sent the lad in the kitchen to smoke it. After a sort time, wondering how the cure was working opened the door and to his surprise, saw his son smoking away and enjoying the "sickner" as would the Hon. Winston Churchill.

CARD OF THANKS
The family of the late Mrs. W. J. Spires, Millbrook, Ont., would like to thank their many friends, relatives and neighbours for the many kindnesses and for beautiful floral tributes shown to them at the time of the passing of their mother. Also Rev. Mr. Heustin of Millbrook, Rev. M. Bury of Oshawa, Drs. Hobbs and Wright and The Haw Funeral Home, Millbrook.

WANTED

Opportunity For Local People To See Famous Picture

It is not scheduled for Port Hope this season, but Cobourg is only ten minutes farther away, and a drive of that distance is well worth while, for this spectacular and impressive film is in a class by itself, whether one views it as entertainment or religion—or both.

Seen On King Street During The Week

A little girl with her back to a hedge that contained thorns, stoop over to fix a doll in a carriage. The quick jump-up was evidence that the thorns were sharp enough to make her think she had been stung by the bee, John.

Motorists heave empty cigarette boxes, candy bar wrappers, cigarette butts, and what have you garbage from their car windows. What we need is a few signs like we have noticed on the highway that says \$50.00 fine for throwing trash on the highway. Men sweep the street in an effort to keep it clean while others clutter them up.

George Hawkins with a pipe in his mouth. All George needs now is that middle-age spread to make himself look more like another famous pipe-in-the-mouth citizen. No names mentioned, he's known by all.
