"HOMES FOR VISITORS TO THE WORLD'S FAIR."

The above is the title of a very useful book just published, a copy of which can be seen at the G. T. R. town ticket office, Millbrook. It is certainly a complete work, as it furnishes a list of families in Chicago who will accommodate visitors during the period of the hotels in the city. Chicago is plainly shown in sections by the map. Those who intend visiting the great fair should avail themselves of this opportunity of posting themselves, as all necessary arrangements as to rooms, etc., can be made before leaving home. The use of this book is offered free to all.

School House Burned.
 On Friday while the teacher of school section No. 14, Township of Hope, was at dinner, the school house took fire and was burned down. The cause was the burning of rubbish in the school yard.

Manvers Station.
 Mr. C. C. Whale, high inspector of the order, instituted a court of the Independent Order of Foresters here on Thursday evening last, assisted by Mr. R. R. Elliot of Millbrook. Mr. Reaburn is the chief ranger, Mr. Alex. Potts vice chief, Mr. John Cromar recording secretary, Mr. Bert Byers financial secretary, and Mr. John Kellatt treasurer. The new court starts most favourably and has every prospect of a successful career.

Omenec.
 Thos H. McQuade had the misfortune to have his first finger on the right hand mutilated in a cutting machine on Wednesday. Mr. Bradd amputated the fractured finger and made him as comfortable as possible. On last Monday D. H. Cornell sold a three-year-old Durham bull to Alkin Bros. that weighed 2,000 lbs., for which the buyer paid \$80. This is the largest "cheese" of flesh that ever was weighed on the Omenec scales. Jim McCaffery's fine gray horse ran away on Wednesday as a result is now in the care of Veterinary Waldon.

Progress.
 It is very important in this age of vast material progress that a remedy be pleasing to the taste and to the eye, easily taken, acceptable to the stomach and healthy in its nature and effects. Possessing the qualities, Syrup of Figs is the one perfect laxative and most gentle diuretic known.

Perrytown.
 On Wednesday of last week a four year old son of Mr. Alex. Walsh was kicked by a colt in the stable and severely hurt. His collar bone was fractured and he was otherwise badly bruised. We are glad to learn that he is now mending rapidly and will soon be entirely recovered.

We regret to learn of the death of a child of Mr. Wesley Noden of Garden Hill, a few days ago.

We are pleased to learn that Mrs. Robt. Gardiner has so far recovered from her illness as to be able to attend to her household duties.

Mr. J. G. Honey of Orono, was calling on his old friends here last week. He is likely to have a large increase of patronage for the cheese factory this year, which will commence operation about the 22nd inst.

Mr. T. A. McMurtry is here, accompanied by his son, visiting his father. Rev. Mr. Johnston preached an educational sermon here on Sunday last to an appreciative audience.

The farmers are nearly through their spring work in this section.

Both the Church of England and Methodist Sabbath schools reopened here on Sunday last. Owing to the wet weather the attendance was small.

Bethany.

It is our sad duty this week to record the death of Mr. James Sisson, who departed this life on Wednesday last after suffering two years of intense agony caused by a cancer in the face. Deceased endured his terrible suffering with christian fortitude, believing that death in this world would bring him peace and happiness in the next, being a true christian and devout worshipper of the Master. He was just in the prime of life being but forty-two years of age and leaves a wife and three small children to mourn their loss. His remains were interred in the English church burying ground, Cavanville, on Friday. Great sympathy is extended to his wife and family.

Business is brisk here this spring in all lines. We notice that Mr. John Lee is erecting a nice residence, and Mr. F. Hamilton is making a general renewal of his many houses, much to the interest and appearance of our village.

We have just received the sad news of the sudden death of Mr. Henry Hart, an old and respected pioneer of Manvers township. On Saturday Mr. Hart was kicked by a horse, from the effects of which he died on Sunday. Much sympathy is felt and extended to the bereaved family. Deceased was about sixty-five years of age.

Attacked by a Bull.

Mr. John Dames, one of the best known farmers of Mariposa, was severely injured Thursday last by a shorthorn Durham bull which he had in his possession for two or three years. It appears that Mr. Dames, wishing to exhibit the animal to some visitors, went into the stall where he was standing untied, and catching hold of one horn reached down to affix the rope to the nose-ring. The bull at once turned and attacked him, knocked him down and made frantic efforts to kneel upon and gore him. Several times Mr. Dames struggled to his feet only to be again butted over, and when finally rescued by his visitors, he was almost unconscious from the rough treatment he had received and the pain of his injuries. Dr. Jeffers of Oakwood was sent for and found that a bone in the right arm was broken; one of his legs was badly bruised and a small bone was fractured; and the shoulder blade dislocated. In addition to these injuries Mr. Dames was painfully bruised a score of places, but considers he was very lucky to have escaped with his life.

Dilly Sanders is Dead.

Peterboro Examiner.
 The body of Mrs. Mina Sanders, who died at the Nicholls hospital on Wednesday of last week, was buried in the Roman Catholic cemetery. Her friends in Millbrook were apprised by the authorities of the Nicholls hospital, of the death, but as nothing was heard from them, the interment took place as noted. All the explanation Mrs. Sanders gave of her presence in the field when she was found, was that she had been in search of a house and had been unsuccessful, and being entirely without money and knowing no person, did not know where to go. She fainted at the spot where she was found and did not recover consciousness till morning. The unfortunate woman made a fatal mistake in not applying at some place for food and shelter. Peterborough's hospitality is too pronounced, not to give shelter and comfort to the distressed when attention is called to the circumstances. It does look like a reproach to the christianity of the town that a stranger should be allowed to lie exposed all night on the wet ground and receive fatal exposure, with hundreds of happy homes about about her. No one, however, is to blame except the unfortunate creature herself; but it appears that she was so weak, despondent and dazed that she was hardly knowing what she was doing or where she was going.
