THE BAIN WAGGON

Is the lightest running, and is a general favorite. It is a model of strength and durability. Its gears are soaked in boiling oil, expelling all moisture and imparting great toughness to the wood. The patent truss axle adds greatly to the value of the wagon. I control the sale of this wagon in the Townships of Cavan and Manvers.

THURSDAY, MAY 18, 1893.

A SCHEME is on foot to build a canal on Canadian soil between Lake St. Clair and Lake Erie. An excellent idea!

MR. CAMPBELL'S bill to give Port Hope three votes in the selection of a county town in the event of separation was thrown out by the municipal committee on Tuesday. Good!

SIR SHUFFLER MOWAT says to the temperance people: "I won't give you what you want; but I will give you a chance to say whether you want it or not, and that ought to satisfy you just as well."

MR. GLADSTONE has appointed the Earl of Aberdeen to succeed the new Earl of Derby as Governor-General of Canada. The new figure-head is quite welcome to stay with us for five years as a target for Jim McMullen's vulgarity and pugnaciousness.

MANVERS COUNCIL.

Special Meeting—The Railway Bonus By-Law—Other Important Business.

A special meeting of the council was held on Monday, May 8th. Members all present, the reeve in the chair.

Mr. Barron presented a by-law to grant a bonus of seven thousand dollars to the Lindsay, Bobcaygeon and Pontypool railway, in debentures of the corporation of the township of Manvers. He then addressed the council relative thereto and wished them to submit said by-law to the electors of a certain portion of the township for their approval.

By-law was then read a first and a second time on the following division:—
Yeas—Barnicutt, Evans and Wilson.
Nays—Porter and Preston.

Moved by Mr. Barnicutt, seconded by Mr. Evans, that the by-law be published as required by law in the MILLBROOK REPORTER. Carried.

The council then adjourned.

The council then met in regular session pursuant to adjournment. The minutes of the last two regular meetings were read, approved and signed.

Mr. Gray presented a bill for damage to his crops on account of a winter road on lot 24, Con. 1.

On motion said claim was laid over for further consideration. Mr. Preston in the meantime to view the damages complained of and ascertain the value thereof.

Mr. Preston, administrator of the estate of the late James Crozier stated that he was willing to take what amount of compensation for gravel to be taken off of part of lot 24, Con. 8, Manvers, as three disinterested persons might determine.

Moved by Mr. Evans, seconded by Mr. Porter, that Messrs. Stephen Sisson, Francis Ward and John Biglow, be appointed to value the quarter acre to be taken off lot 24, Con. 8, Manvers, for a gravel pit. Mr. Preston consenting to such appointment. Carried.

Messrs. Sisson, Ward and Biglow verbally reported that they had examined the quarter acre to be taken for a gravel pit and fixed the value thereof at thirty-five dollars. Report received and adopted.

The petition of Mr. Johnston Kennedy as laid over since last meeting was again brought forward and discussed.

Moved by Mr. Porter, seconded by Mr. Preston, that this council rebate the sum of sixty dollars on account of tavern license for 1892-3, to Mr. Kennedy, he having paid for a whole year's license and having had his house open for five months only. Lost.

Mr. A. Lethangue verbally petitioned the council to grant him compensation for dam-

age done to his farm by reason of a wash-out of the road during the present season.

Moved by Mr. Barnicutt, seconded by Mr. Evans, that the reeve and deputy-reeve Preston be a committee to determine what amount of damage Mr. Lethangue has sustained by reason of said wash-out, and the amount this council should pay (if any) as compensation for said damage, and report at next meeting. Carried.

Mr. J. Ward verbally petitioned the council to cause a ditch to be opened on the allowance for road at the north end of his lot. Referred to Mr. Preston.

Verbal applications were then made by John Morgan to be allowed to perform his statute labor on the division at the north end of his lot, and by Mr. Scott to have the statute labor charged against lot 8, Con. 2, Manvers, performed under James Fallis, overseer.

On motion said applications were granted. Mr. Samuel McCullough made application to be paid the sum of \$7 for work done shovelling snow during past winter season.

On motion the application of Mr. McCullough was not entertained.

Mr. Joseph Hutchinson stated to the council that the assessor had notified him that there are arrears of taxes against one of his village lots, south part lot 24, con. 8. He produced a receipt for payment against two of said lots for 1890, and another collector's bill for quarter acre charged in 1890 against one John Waugh, being part of Mr. Hutchinson's property, said bill not being accepted. Mr. Hutchinson offered to pay the amount of such arrears provided the council would give him a receipt in full for all taxes against his village property up to and including the year 1892.

On motion the clerk was instructed to receive such arrears, to pay the same to the treasurer and give Mr. Hutchinson a receipt in full as asked for.

Moved by Mr. Preston, seconded by Mr. Evans, that the clerk be and is hereby instructed to notify the county treasurer to strike off the arrears of taxes charged in 1892 against south part lot 5, Con. 13, Manvers, assessed to John Johnston, it having been assessed in error. Carried.
