BIG OPPORTUNITY COMES TO DISTRICT PEOPLE

A film that had a run of one year in Toronto, "Oklahoma" will be shown at the Capitol Theatre, Port Hope, next Monday, Tuesday and Wednesday. This is one of the most talked about pictures to come on the market for some time, and its stay in Toronto for a whole year, is evidence enough to convince the worst skeptic that it is no ordinary film. This picture is in Technicolor, which makes it all the more attractive. In this modern day phrase "it's terrific". Be sure you see it.

You have your choice Which will you take?

Election Day, June 10th, is your day to cast your vote for the political party and candidate you feel will do the best job for you, for this county and for Canada.

Before you vote, ask yourself what other party has shown itself ready and able to do a better job.

This is no time for experimenting with a new government. Who in the other parties could replace Mike Pearson in helping to keep the world at peace?

What other local candidate has shown that he deserves your support and confidence more than John James?

Think it over and again cast a Liberal vote!
