### Bernard Ingham Given Camera

At the annual meeting of the Home and School Association held Monday evening, May 13th, the following officers were elected:

President—Mrs. M. E. Hobbs  
Vice-Pres.—Miss Jean Burnham and Mrs. Earl Liesemer  
Secretary—Mrs. Percy Hamilton  
Treasurer—Mrs. Reginald Hopkins  
Executive Members—Mrs. W. H. Heustin, Mrs. Clifford Northey, Mrs. Tom Skipp, Mrs. Alan Edwards and Miss Ellen Kent.  
Mrs. Clifford Northey gave the report of the nominations committee and Percy Hamilton, public school principal, installed the officers.

The choir from the senior room of the public school, which received highest marks of three classes for village schools at the Peterborough festival, sang two numbers. They were directed by the music director, William Aylsworth. Mr. Hamilton spoke highly of Mr. Aylsworth's work. The trophy won at the festival was received by Ted Nattress for the class, and the certificate by Jane Ouellette, music convener of the class. A piano solo was played by Bernard Ingham.

**Champion Cup Awarded**  
C. J. Holmes, inspector of public schools Durham inspectorate number 2, made the presentation to Bernard Ingham of the Ontario spelling bee championship cup, won in Toronto Easter week. On display was the Britannia junior encyclopedia which went to the school, and Mr. Hamilton told that they were yet to receive two sets of six film strips and a large Webster's dictionary. D. R. Fowler, chairman of the public school board, presented Bernard with a camera, which

visited twenty-six communities over this period of time, which included Zone Meetings, Annual Meetings of Chambers of Commerce, speeches to Chambers of Commerce, Boards of Trade and Service Clubs, as well as touring the area with prospects and visiting larger communities such as Toronto and Cleveland.

he said was in recognition of what he had done for the school.

#### Presented With Pin

Mrs. Homer Ouellette, the retiring president, was presented with a past president's pin by Mrs. B. B. Dawson, a former president, who spoke of the fine leadership Mrs. Ouellette had given during the past two years. Mrs. Ouellette thanked her executive for their support and recalled highlights of the year—Father's Night when members of the medical, dental, nursing, legal, ministerial and law enforcement profession spoke on their vocations, the Christmas meeting con-

ducted by four ministers of the community, health night in charge of members of Northumberland & Durham Health Unit and meeting addressed by Stuart Ryan, Q.C., and by the school principals.

Mrs. M. E. Hobbs gave an interesting and at times amusing report of her visit to the convention held in Toronto Easter week. Raymond Goheen, high school principal showed films on "Hereditary and Environment," and on teaching children to take responsibility.

Mrs. Earl Liesemer, retiring treasurer, reported a bank balance of \$33.76.

The attendance award for hav-

ing most parents present went to the high school.

Refreshments were served by Miss Ellen Kent and her committee.

# Made By People

A COUNTRY is not made by its resources but by its people. Natural resources were here before there were any people.

It is the people of Canada who have made this country by their courage, industry, intelligence, and thrift.

Canada can maintain its position in the world only through the continued work and devotion of its citizens.

Possession of the most abundant natural resources is not enough to ensure national greatness.

The nurse is saving regularly for a vacation trip

The father is saving for the things a growing child will need

Both have a bank account - and a purpose for saving

Nurse and father both agree that some things are too important to leave to chance. So, like most Canadians, each uses a chartered bank for planned saving, making regular deposits to accomplish a definite purpose.

Your own savings plan may be a short-term, modest one — maybe a vacation trip, or new drapes for the living room. Or your goal may be long-range, like providing more security, greater comfort and independence for you and your family.

But whatever use you find for the money you save, you'll always be glad you saved it!

Save at a bank — millions do!
