Guelph last May, and is now employed in engineering extension work with the Department of Agriculture, Guelph. His mother Mrs. Argue, Mr. Ronald Argue, Miss Luella Kennedy and Mrs. Ray Stewart attended the convocation.

SOCIAL - PERSONAL

We are sorry to report that Mr. Art Footitt was taken to St. Joseph's Hospital on Sunday evening.

Mr. and Mrs. Fred Britten, Oshawa, and Mr. and Mrs. Fred Britten Sr., were visitors with their cousin, Miss Estella L. Hetherington on Sunday.

Dr. M. E. Hobbs, Mrs. Hobbs and family visited with his parents in Toronto on Sunday, before going on their holiday trip to England.

We are glad to announce that Mr. John Coulter Sr. has returned home from the hospital and we hope to see him around the town again in a few days.

Friends of Mrs. W. Buck will be pleased to know that she has returned home from St. Joseph's Hospital, Peterborough, where she recently underwent an operation.

Mr. and Mrs. Ken Footitt and family, and Miss Alice Hawkins visited with Mr. Footitt's sister, Mrs. A. Huggins at Fort Erie over the week end.

Mrs. Charlotte Delahay who has spent the last two years with her brother Mr. John Finmore is leaving June 1st to stay at the home of Mrs. Charles Beatty, Bewdley. Mr. Finmore is in the Fairweather Private Hospital.

Mrs. G. Howson and daughter are planning to begin their journey home from an extended visit in England, on June 12. Miss G. Howson, O.T. service at Downsview Rehabilitation Hospital, Toronto, comes down each weekend to keep things in order, in the house and in the garden.

Weldon Coulter and Jack Barringer were in Peterborough Thursday night and attended the stamp exhibition held in that city. They report a fine display. A feature, outside of the exhibits, was a block of 30 used King George V. \$1.00 stamps of Canada, no doubt a very rare item, the largest block ever seen before this item was one of 24 stamps.

The above block was on sale for \$10.00 and in our opinion was a bargain at that figure.

What has four wheels and flies? A garbage truck.

Seen On King St. During Week

Deputy-Reeve Bradburn and Councillors Burns and Farrow of the Cavan Council to say nothing of Harry Tully the road supt. holding a meeting on the street. These gentlemen are evidently so taken up with their duties they just cannot wait for the next council meeting. This is the kind of enthusiasm that makes for a good council.

A pot of beautiful tulips in full bloom, forming the letters "C.Y.U.C." at the school bridge corner. These flowers were planted by members of the C.Y.U.C. and are a credit to this fine group of young people, and best of all, the flowers haven't been picked yet!

A truck all the way from Nashville, a long way from home we thought until on closer vision it turned out to be Nashville, Ontario, not Tennessee. This proves what advertising will do as the name "Nashville" carries one's mind to the southern state, just because it is spoken of more frequently. Never mind, we learned something we didn't know before and that is there is a Nashville in Ontario. So if you want to kid your friends take a trip there and then tell them you just got back home from "Nashville", naturally they'll think of good old Tennessee—That is, of course, if they are as ignorant as the writer of this column.

"Now be sure," the farmer's wife cautioned the druggist, "to label them bottles plain; which one is for the horse, and which one is for my husband. I don't want nothing to happen to that horse before spring plowing!"

REPORTS HEARD AT ST. THOMAS' W.A. REGULAR MEETING

The regular meeting of the Women's Auxiliary of St. Thomas' Anglican Church was held Monday evening at the home of Mrs. A. A. Smith, with a good attendance. Mrs. J. W. Hilton, president conducted the opening prayers and litany.

The Scripture lesson was read by Mrs. W. A. Massey-Cooke. Mrs. Reginald Fallis, secretary, gave the minutes of the last meeting and the roll call.

Mrs. Leslie Bristow, treasurer, reported a balance in the bank. Free will offerings to replace bake sales and other benefits were paid. Mrs. J. Edgar Palfrey offered the Rectory for an afternoon tea in June. It was decided to hold the tea in September. A definite date to be arranged at the June meeting at the home of Mrs. Fallis.

Two members, Mrs. Massey-Cooke and Mrs. Fallis who represented the local auxiliary at the annual meeting of the Diocesan Board, in Toronto, early in the month, gave interesting reports of the various sessions. A chapter item from the Study Book 'Who Cares' on mental health, was read by Mrs. Leslie Graham.

Mrs. C. O'Donnell and Mrs. Palfrey were supper hostesses.

Door-to-door salesman to housewife: I'd like to show you na little item your neighbours said you couldn't afford.
