All choir members are asked to be present at a special choir meeting to be held in St. Thomas' Church Sunday evening, May 31st, 1959, directly after the evening service.

The train came to a sudden grinding stop. "What has happened, Conductor?" asked a nervous, old lady.

"Nothing much, we just ran over a cow."

"Was it on the track?"

"No," replied the disgusted Conductor, "We chased it into the barn."

"EVEN GREATER PROGRESS LIES AHEAD"

Premier Leslie Frost in his Report to the People of Ontario 4th May, 1959.

On June 11, the people of Ontario will exercise their democratic right to chart the future course of our province.

Before them will be the record of achievement of a decade of wise policies and sound management under the government of Premier Leslie Frost... ten years in which Ontario's advances in the development of resources, business expansion and human betterment on all fronts have been unprecedented in Canada or anywhere in the world.

Under Progressive Conservative administration, the stage has been set for even greater progress in the years ahead. The Premier has announced far-reaching and far-sighted plans for government action to continue and increase this dynamic development which has become the envy of the entire world.

The election issue is therefore simple and straightforward. The accomplishments of the past have been tremendous, but *even greater progress lies ahead*. It can and will be achieved only under these same wise policies and with the same skilled and steady hand at the helm of the ship of state.
