LEADS ALL Canadian Companies

WHY IT LEADS - - -

1. Because it is the oldest, largest, most popular and economical and gives the best results for the least money. 2. B cause in 1893 it increased its assets by \$1,236,513-a sum exceed-

more than double of any one company. 3. Because it has a larger surplus, above all habilities, than all the other Canadian Companies together. 4. Because the net Profits paid on its Life policies during the last 20 years are not equalled by any other Company in America.
