A WINTER IN PARIS.

MR. G. T. FULFORD'S RETURN FROM THE WORLD'S GAYEST CITY.

Recorder Reporter's Interesting Inter-With Him-Some Statistics and Informa-

tion of General Value.

an account of himself.

Mr. G. T. Fulford, who is understood to have been doing big things is Paris during the past winter and spring, introducing Dr. Williams' Pink Pills reached home on Friday last with his family. Mr. Fulford has taken Mrs. Field's handsome residence in the east end for the summer, and was found there on the evening of his arrival by a Recorder reporter, and asked to give

tion on the status of the Pink Pil business in France, "of course it isn't altogether an easy matter to introduce a foreign article into a strange market, especially where there is as much conservatism as there. But I don't think we can complain of the progress made, on the whole, and it is gratifying to report that some, at least, of the Paris doctors are open to recognize a medicine of which the intrinsic merits can assembled to take in the sports of the day be demonstrated to them, One of the baseball playing, each one taking a lively best of them—at Versailles, the Paris interest in the game, all apparently having suburb where the Emperors used to Last Wednesday the three Methodist keep their court—has given favourable Sunday schools united and had an excursion testimony through the press of quite There was about three hundred and thirty wonderful cures through the use of on board. Capt. Crandell of Lindsay, sent Pink Pills in his practice; and the dation and all seemed to have enjoyed the Religieuses, an order of Nuns like the Sisters of Charity, have also made an extensive use of Pink Pills in their charitable work, and given strong tes timonials as to their good effects." 'How do you find business al

"Pretty good. We have sold in the past twelve months a little over two million, three hundred and sixty thousand boxes of Pink Pills,"

"That is a pretty large order, isn't "It is the best twelve months' businot being content with machinery for the ness yet. Look for a minute what the figures mean. If all the pills were turned out into a heap, and a person set to count them, working ten hours a on Friday, July 5th, and as it is drawing day, and six days a week, the job would near the close of the season a good time is take-I have reckoned it-4 years, 21 looked upon by the Presbyterians as their days, 6 hours and 40 minutes, counting previous and in order to procure a field for reckoning it another way, it means the foot ball and other amusements it was about a hundred and fifty-seven pills on the 5th of July this year. The Bethany for each minute of the twelve months occupied selling them. Or, if you very pleasant evening will be spent, at least want further statistics, it is somewhere about two pills a head for the combin-Mr. Wilson, the old favorite cannot be se- ed adult population of Canada, Great cured this year. However it might possibly Britain, Ireland and the United States. may come again this year and gladden the If the pills sold last year were made Presbyterians by singing for them some of up into necklaces of fifteen inches long there would be a necklace for every woman in Canada, and leave some considerable pills over. million dollars in advertising last year. that sum has paid for ?"

The reported was silent in the presence of this educative 'miracle' but re quired further information as to the state of trade. Was everything lovely he asked, or was there any crumpled rose leaves in the couch?

"Can't grumble, except in one way There's a certain amount of substitution in some retail stores, and there is a man in Manchester, England, that I have had to prosecute on the criminal charge for it."

"But what do the substitutors dodo they duplicate your formula under some other name?"

"No, not a bit of it; that is the worst feature of the fraud. No retailer can possibly know what is in Pink "Well," he said, in reply to a ques-Pills; and if he did, he couldn't pre pare them in small quantities to sell at a profit. They are not common drngs, and by no means cheap to make. suppose I have spent anywhere from ten to twelve thousend dollars, since I first took over the trade mark, in trying if the formula could be improved, and spent a share of it for nothing." "What do you mean by 'for noth-

"After I acquired the trade mark I saw that if the thing was to be made success it was imperative that I should have the best tonic pill that I should have the best tonic pill that obtained the advice and opinion of the treal and New York-and expert adthe changes in my formula suggested favor with which the public has received the medicine, demonstrates that it is the most perfect blood builder and nerve tonic known. However, I was anxious to still further improve the formula,, if this could be done, and have since spent a great deal of money with that end in view. On going to London two years ago, to place Pink Pills, I went into into it again, with with the best medical men there, and, as you know, the medical expert is not too friendly to proprietary medicines ; and least of all to a good one; and I don't blame the doctors either. It isn't good for business if a man can get for fifty cents medicine that will do him more good than \$50 in doctoring. Consequently advice came high, but I obtained the best there is, not only on this continent but in London and Paris. If I were to tell you whom consulted-but that was an honorable condition that I shouldn't divulge the names on account of professional to Paris last winter I placed my formula and a supply of Pink Pills in the hands of one of the most noted doctors in that city for a three-months' trial in

it alone, it cannot be bettered. You now have a perfect blood and nerve spent, as it determines the fact that the formula for Pink Pills is now as perfect as medical science can make it And coming back to the question of BEHOLD! substitutions and imitations; what I ance of his farm house near here in the way ing in London to whom I showed my have just told you will show what a poor thing it is for a man who goes to a store for Pink Pills to let something else be pushed on to him in place of grand improvement on the grounds of their for though we have only been working them-more especially if it is a worn out thing like Blaud's pills-a formula and have a drink which is at once in the French pharmacopoeia, that has Cool, Refreshing, Invigorating an been a back number for years until few storekeepers tried to push it or the strength of Pink Pill advertising. You can take it from me that a storekeeper who tells anyone that Blaud's pill (which is not a proprietary at all, anyone can make it that wants to) is n any way a substitute for Pink Piils s an ignoramus and never ought to be

> gist as ignorant as that certainly isn' fit to put up a prescription, and will poison someone one day." At this juncture the Island City band put in an appearance to serenade Mr. Fulford and family, and the reporter drifted out among the crowd that had followed to listen to the sweet
