June 11th is YOUR day...

On June 11th approximately 15,000 polling places in Ontario will be ready to receive your vote. They will remain open from 8 a.m. to 7 p.m. (Standard Time) and from 9 a.m. to 8 p.m. (Day-light Time).

Time-tested election machinery will assure every voter the free, full and impartial exercise of this ancient and honourable privilege of democratic citizenship.

HOW you vote is YOUR business, but it is also important to your family, friends and neighbours that you DO vote.

Your vote means many things.

It expresses your judgment on the issues put forward by the various parties during the election campaign.

It gives your opinion about the Candidates who have placed their names before you.

It states your decision about the future progress of our Province and the men who will guide its destiny in the years immediately ahead.

In these last few weeks you have had many opportunities to assess the policies and platforms of the principal parties. You have been given a complete and comprehensive accounting of the stewardship of your affairs by our Progressive Conservative administration. We believe the record has been one of good stewardship, wise management, and sound planning for the future.

The purpose of this brief message is to suggest respectfully that the safest, surest and most forward-looking decision that you can make on June 11th is to give your vote for the Candidate who represents the Progressive Conservative Party and the government whose policies have been so largely responsible for Ontario's spectacular progress in the last ten years.
