The progress of the investigation by the Coroner's jury on McCormack's case throws a new light upon the liydrophobia question. According to the report in the Tribune, Dr. Hammond has discovered the long-sought lesion in hydrophobia which he locates in the medilla oblongata. He also discover-

ed, from miscroscopic examination of the origin in the case of McCormack. that hydrophobia is not a blood poison, but a disease of the great nerve centres, and can be communicated by a bite of a dog whether the dog has hydrophobia or not. It has also been discovered that the dog which bit McCormick is still alive, and has no symptoms of hydrophobia, although he is a vicious brindle bull terrier, and is given to biting strangers.

On Siturday, a meeting of the Public School Teachers of this county; was he'd in the Central School here: Mr. Colman was appointed chairman and M . Kirkpatrick, Sec'y. It was then moved by Mr. Brown, seconded by Mr. Glass,-" That Mr. P. N. Davey, Head-Master, Millbrook. Pubhe Schools, be appointed a delegate to attend the convention, to be held in Foronto, on 17th July, for the purpose of cominating a cadidate to represent Public School Teachers in the Council of Public Instruction." Carried unanimously. Mr Davey asked for which candidate he was to vote. On motion, it was decided by a vote of 19 to 1 that he support Dr. Sangster. In consequence of some letter which had appeared anonimously in several papers, animadverting severely on the conduct of Inspector Tilley, Mr. Goggin after a few remarks, moved the following rely :- " That our Inspector, J. J. Tilley, has not, so far as known to us, attempted to coerce any one, or to abuse his position, by endeavoring to exert any improper influence over teachers an ordrer to induce them to vote for Dr Sangster; and we have no sympathy with those who seek to injure the reputation of our worthy inspector, whose untire zeal in the cause of education and disinterested kindness in assisting teachers, are so well and widely known, and that a copy of this resolution be furnished Mr. Tilley and the deading journals .- Port Hope Times.

In its history, this invaluable Medicine ocany remedy to attain. A few years since it was known only to the friends and neighbors and patients of the proprietor, and always sought for by them whenever troubled with Rheumatism, and in this way tame to the notice of physicians generally, and through their favor-able expression, and its acknowledged value as a Rheumatic Remedy, the demand for it be-came so frequent and urgent as to oblige its proprietor to increase his capabilities for its tion. Wherever introduced it has received the most flattering preference in the treatment of all rheumatic complaints. In this we are really grateful find happy; not alone because our medicine finds ready sale, and is consequently profitable to us do we say this, but because we open a new field in medical science, and cure at once what the best medical practitioners have for ages found so difficult even to relieve. We fill a place heretok re unoccupied. We re-lieve the suffering and minister to God's poor, we restore the laboring man to the use of his injured limbs, and save him scores of times its cost in doctor's bills; we carry contentment and gladness into the home of the ullifeted, and consequently are remembered by millions of grate-

Thousands have been changed by the use of this remedy from weak, sickly, suffering creatures, to strong, healthy and happy men and women, and the afflicted cannot reasonably Lesitate to give it a trial.
