—Mrs. F. Walsh of Winnipeg is here visiting friends. Mrs. Walsh was formerly a resident of the 4th line, Cavan, and her many friends in this vicinity will be glad to see her.

—Mr. F. W. Peacy, photographer, has closed his gallery and removed from town. We understand Mr. Peacy intends engaging in agricultural pursuits. This leaves a splendid opening in Millbrook for a photographer and as there is a good gallery it will likely be taken advantage of.

—Mr. R. W. Clarke, superintendent of the Millbrook Methodist Sabbath school, has been nominated by the executive committee of the Ontario Sabbath school association as a delegate to the seventh International and second World's Sunday school convention to be held in St. Louis, Mo., from 31st August to 6th September next.

—There will be an excursion on the G. T. R. to the World's Fair on July 28th and 29th, for first class single fare, good to return until August 7th. This is the cheapest rate that has yet been advertised and a good opportunity for those wishing to go. Call on A. Leach for further particulars.

—Ensign Coombs, the new divisional officer of the Peterboro division of the Salvation Army will be in Millbrook to night and to morrow night, and will conduct the meeting in the barracks on these two occasions. Mr. Coombs is a noted violinist and no doubt will have a treat in store for those who attend.

—L. O. L. No. 79, headed by the citizens' band, and accompanied by the members of the True Blue lodge, marched in a body to St. Thomas' church on Sunday morning last, when the annual sermon was preached by the Ven. Archdeacon Allen. The remarks of the reverend gentleman were appropriate to the occasion and the large congregation present seemed to appreciate the services to the fullest extent.

—Court Ivanhoe, I. O. F. attended divine service in the Presbyterian church on Sunday afternoon. There was a large turn out of Foresters as well as a large number of others and the church was filled from the altar to the door. The services were conducted by the Rev. J. A. Bloodworth, and his sermon for the occasion was well prepared, being very instructive and we hope will prove beneficial to the many adherents.

—A young people's society of Christian endeavor was formed in the Methodist church here on Tuesday evening. Mr. Calvert of Ohio, brother of Mrs. Joseph Thornndyke, Cavan, addressed the meeting. Mr. Calvert was a delegate to the great Christian Endeavor convention just closed at Montreal, and his remarks were very valuable to the new organization. The following officers were elected:—

President—T. B. Jenkins.
 Vice President—Miss S. Dean.
 Treasurer—Miss Maud Nugent.
 Secretary—Miss A. Pendry.

—The "glorious twelfth" was duly celebrated in Port Hope. About 5000 orangemen assembled in honor of the memory of William Prince of Orange. Although the weather was anything but favourable in the morning, Millbrook lodge, No. 79, accompanied by the True Blues, left by train to participate in the celebration. About two o'clock in the afternoon the procession was reformed and marched to the town park, where addresses were delivered by prominent members of the fraternity. The order throughout the day's proceedings was good. In the evening No. 79 and the True Blues formed in procession at the station here and marched down King-st. to their lodge room, and we might say a more respectable procession of people would be hard to find.

—The Souris, Man., *Plainsdealer* of last week has the following: "Last Wednesday, June 28th, St. Luke's church was the scene of a very pretty wedding. The church had been beautifully decorated with flowers and plants by a friend in the village. The contracting parties were Miss Rowena Wallace, youngest daughter of W. G. Wallace, Esq., of Souris Vale, Souris; and R. S. Wallace, Esq., of Alexander. At 4 p. m. the bride entered the church on the arm of her father, and was charmingly attired in cream crepe cloth, followed by her bridesmaid, Miss Wallace, who was similarly dressed. The musical part of the service, which was fully choral, was conducted by Mrs. Acheson—the organist—and the choir. The Rev. C. Wood officiated. After the ceremony the guests, numbering about forty, adjourned to Souris Vale, where a reception was held until the happy pair left for their future home near Griswold."

—A meeting of the village council was held on Monday evening last. The only business transacted was the passing of a few accounts.

—Tuesday, July 25th, is the day chosen for the excursion under the auspices of the Sabbath schools of St. Thomas' church, Millbrook, and Christ church, Baileboro. Burleigh Falls is the place of resort and a through train has been secured to carry excursionists to Lakefield, where they will be transferred to the steamer "Golden City" with her palace covered scow, "Wavecrest," and conveyed through the grand and romantic scenery of Katchewanooka, Clear and Stony lakes to Burleigh, where several hours will be allowed for boating and fishing. No time will be lost making connections as the boat has been chartered for the day. Train leaves Millbrook at 8.20 a.m. Fare 75c., children under twelve 40c.

—Tuesday next, July 18th, the Methodist Sabbath school excursion will take place to Jacob's Island and Bobcaygeon. Should the weather prove favorable the occasion will afford a grand holiday outing, as the scenery along the route is picturesque and interesting. The magnificent steamer, "Columbian," has been chartered for the occasion and will take the excursionists from Chemong, passing through Chemong and Pigeon lakes in full view of the Indian village. The fishing grounds around Jacob's Island are among the best to be found and knights of the rod will be afforded an opportunity of enjoying themselves to their hearts content. Many other classes of amusement will be in order and as the citizens' band will be in attendance the musical programme will be faithfully filled. Train leaves Millbrook at 8.10 a.m.

—Tch on humans, horses and all animals cured in 30 minutes by Woolford's Sanitary Lotion. This never fails. Warranted by A. LEACH. 11-13

—Experiments at the Wisconsin station indicate that the heavy feeding of dairy cows is profitable. A cow producing a full flow of milk should receive over 70 per cent more food than is necessary to sustain life.

—Dr. Root's Red Regulators are the best pills for a blood tonic. A. LEACH sells them. 16-

—The Ontario Legislature is asking from clerks of county councils a return showing the number of deputy reeves of townships occupying seats in the county councils in 1887 and 1892. Also the amount of indemnity paid in those years and the assessment rate in the township.

—Neuralgia must go! \$5.00 reward for a case that "Harper's Arabian Balm" will not relieve at once. Warranted by A. LEACH. 16-

—Local municipalities will hear in mind that the vote to be taken upon prohibition at the next municipal elections is to be taken at the expense of municipalities, and will doubtless be the means of preventing many elections by acclamation, as there will be little object in doing so far as the expense is concerned, as there must be an election in any event.

—English Spavin Liniment removes all hard, soft or calloused Lumps and Blemishes from horses, Blood Spavin, Curbs, Splints, Ring Bone, Sweeney, Sprains, Sore and Swollen Throat, Coughs, etc. Save \$50 by the use of one bottle. Warranted by A. LEACH. 11-1

—Carefully compiled reports from all parts of Ontario give a promising outlook for this season's crops. Hay is very heavy and abundant, and spring wheat promises well. There is a less acreage than usual under barley, and corn is light. Potatoes are not up to the average. Small fruits are in a good condition, but apples are a failure.

"I don't feel like eating breakfast this morning." This is a common remark and is proof positive that the Kidneys and Liver are out of order, and nature calls out for relief. A bottle of Membray's Kidney and Liver Cure will remove the cause of all this trouble. Try it.

—Cobourg Post:—Mr. T. Carman's steam yacht Carmona, of Belleville, with a party of ladies and gentlemen on board, called at our harbor on Wednesday. The Carmona is the property of Mr. Carman, proprietor of the Belleville *Ontario*, and is good evidence that running a newspaper is productive of millions. As he is about the only editor in Canada that indulges in the luxury of a steam yacht, he consequently creates considerable notice. Oh, yes, there's millions in it.

—Rebecca Wilkinson, of Brownsville, Ind., says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, Dyspepsia and Indigestion until my health was gone. I bought one bottle of South American Nervine, which done me more good than any \$50 worth of doctoring I ever did in my life. I would advise every weakly person to use this valuable and lovely remedy. I consider it the grandest medicine in the world." A trial bottle will convince you. Warranted by A. LEACH. 11-13t.

Canada's Great Fair, 1893.

The receipt of a copy of the Prize List for the Toronto Industrial Exhibition, to be held from the 4th to 16th Sep. next, reminds us that Chicago is not the only place that is to have a great Fair this year, and that our own great Canadian Fair is to be held as usual and on a much larger scale than ever. The Toronto Association is expending again this year over one hundred thousand dollars in improvements, embracing new stables, and new cattle sheds a complete system of drainage, new sidewalks and roadways, etc. The additions being made this year give the grounds a wonderfully changed appearance, which will be a surprise to visitors of former years. The new stables and cattle sheds are being constructed in such a way that visitors can pass through them and from one to another, without having to step out of doors. This year's Fair with the numerous attractions that are to be provided, seems likely to draw better than ever. Those of our readers who desire a copy of the Prize List can secure one by dropping a post card to the Secretary, Mr. H. J. HILL, Toronto.
