Arthur Footitt War Veteran Dies Suddenly

Arthur Footitt of this village and President of The Canadian Legion Branch No. 402, passed away suddenly on Saturday, June 27th, 1959, in his 65th year, while being taken to Peterborough Hospital.

The late "Art" Footitt had been in ill health for some time, and was a patient in Sunnybrook Hospital, Toronto, on different occasions. He enlisted in the first World War with the Imperial Army and served four years, during which period he served some time as a prisoner of war in Germany.

During his working days he was a garage mechanic with Mr. F. J. Smith, now living retired in Port Hope, and also an employee of the Canadian General Electric Works in Peterborough, his last place of labour.

Mr. Footitt was born in Hull, England, son of the late Mr. George Footitt and the former Sarah E. Smith.

Left to mourn his loss is his wife, the former Muriel Palmer; one son, Kenneth of Millbrook, and two daughters, Mrs. Harold Lunn (Lillian) of Fraserville; and Mrs. Archie Huggins (Jean) of Fort Erie, and several grandchildren; a sister, Mrs. William Lenzen of Vancouver, B.C., also survives.

Monday evening the Odd Fellows, of which deceased was a member, held their service at the Haw Funeral Home. He was also a member of the Canadian Order of Foresters.

The funeral was held on Tuesday afternoon at 2 o'clock from St. Thomas' Anglican Church, where the Rector Rev. J. Edgar M. Palfrey, Legion Padre, conducted the service. Interment was in St. Paul's Cemetery, Cavan.

Seen On King St. During Week

Mr. Stanley Hartleib riding a bicycle, the first time in the three years he has lived here that we have witnessed this great stunt. Stan and his family moved to Whitby on Saturday, so we presume he was just having his last fling in the village before leaving.

A small boy with a small bicycle, that had two small wheels extended out from the back wheel hub to keep it in balance. Boy! O! Boy! they can't learn fast enough to ride these days so they are given all the aid ingeniously can muster up to help the feat along.

A car get down in a rut in the road caused by the rain and the recent excavation in the street. Luckily a strong boy who evidently thinks he's a descendent of Samson (but he's not, he's a descendent of ours) give him heave enough to get out of the rut. Not long after the hole was fenced off.

Mr. Earl Liesemer sitting in his car in front of the post office Thursday noon reading The Reporter, which from our point of view looked as though he thought this was more important than his dinner. Of course he could have had stomach trouble and was looking over the paper to see if he could find a cure.
