

Drinking makes you look beautiful.
But I haven't been drinking.
I know it—but I have!

MILLBROOK

DEPARTED

MRS DAVID LUNN DEC 60

I'm mad at my wife. She threw a perfectly good suit of clothes out of the window. What hurt most was that I was in it!

Ontario's Transport Minister John Yaremko measures Donna McNall's height with the aid of the Department's new safety ruler while Luciana DelMonte, Jack Bernstein and Geoffrey Ebisuzaki of Toronto's Clinton Street School wait their turn. The ruler combines height and weight charts with practical traffic reminders for children. For the twelfth consecutive year the Transport Department and the Department of Education will distribute one million of these summer safety reminders to Ontario's elementary school children. A portion of the three-foot ruler is shown at left.

LETTERS

Mr. Jim Boughner writes us from Guelph, Ontario. He encloses a clipping from Time Magazine to whom we give the credit. Jim feels it is appropos of "Beautiful Millbrook". It reads as follows:

Sir:

You can have it — with its gossip (Who was that man who drove her home? It turned out to be the minister); the trick working man whose wife works while he spends his time trying to make out with the neighbor's wife; the "key" parties; the keeping up with the Joneses; carting out the trash to the curb wells and septic tanks; gas mileage; the long days (6 a.m. to 7:30 p.m.) to cover commuting (from breakfast to dishes done after supper); and the person who feels snubbed because he was "left out" of a party.

Back to the city—if I can find anyone crazy enough to buy my suburban home.

CARD OF THANKS

Mr. and Mrs. Herb. Patton and family wish to thank their friends and neighbors who have been so kind and helpful during Herb's illness. Especially do we thank Rev. Snowden, Jim Wood, Cliff Hudson, Gerald Hubbard and Clayton Thexton who helped get the crop in. We are grateful to the nurses of Civic Hospital for their kind care, to Dr. Hobbs and Dr. Thompson, Rev. Stanley Snowden and Bill Piercey and all the friends who called or sent cards, fruit and flowers including the St. Andrew's Sunday School, the Sunday School Teachers, the three groups of the St. Andrew's W.A. and the I.O.D.E.

CARD OF THANKS

I would like to thank the nurses and staff of St. Joseph's Hospital, Peterboro, Dr. Wright and all those who sent me cards, flowers and gifts during my stay in hospital.—Margaret Nattress

PERSONAL

Many happy returns to Mr. Aylmer LeFroy of Cobourg whose birthday was June 29.

Mr. and Mrs. Norman Hunter of Toronto were Sunday visitors of Mary and Percy Pitt of Millbrook.

MAKING THE MOST OF IT

Ruth Walker, singing star of CBC-TV's summer show Swing Gerty, dries herself after a quick dip between rehearsals. A keen swimmer, she finds her trips to the beach curtailed by a heavy schedule of television and night-club dates.
