CONDUCTED TOUR BY
DURHAM 4-H CLUB

On Monday, June 27th the Durham 4-H Sheep, Swine and Beef club members were given a conducted tour of two of the most successful marketing schemes in the Province of Ontario.

In the morning the members visited the Ontario Public Stock Yards. They were given a short address by the manager, Mr. F. M. Campbell, former Agricultural Representative in Ontario County, on the operations of the Stock Yard and also on the services provided by the public market to the Ontario farmer. The members also saw the Dutch Clock method of selling, which is used in selling veal calves.

In the afternoon, the members were given a conducted tour of the United Co-operatives of Ontario. The manager, Mr. R. Hennigar gave a very interesting and informative breakdown of the Co-op and mentioned the progress it has made since its formation in 1948. The members also visited Toronto's High Park where they had lunch.

All in all it was considered a successful trip for some forty members of the clubs which were in attendance.

On April 5th, 1960, the Legislative Assembly of Ontario appointed a Select Committee "to enquire into all matters relating to insurance of agricultural crops produced in Ontario against hazards to those crops during the growing season," and, without limiting the generality of the foregoing, to inquire into the following matters:

1. The hazards affecting each crop during the growing season, such as hail, drought, frost, wind, excessive rainfall, flood, disease, insect pests, etc.;
2. The annual losses sustained by the producers from each hazard;
3. The insurance, if any, presently available for crop insurance in respect of each hazard;
4. The rates charged or that might be charged by insurance against any or all hazards;
5. The application of the Crop Insurance Act (Canada) to Ontario, or particular areas thereof, or in respect of particular crops or otherwise;

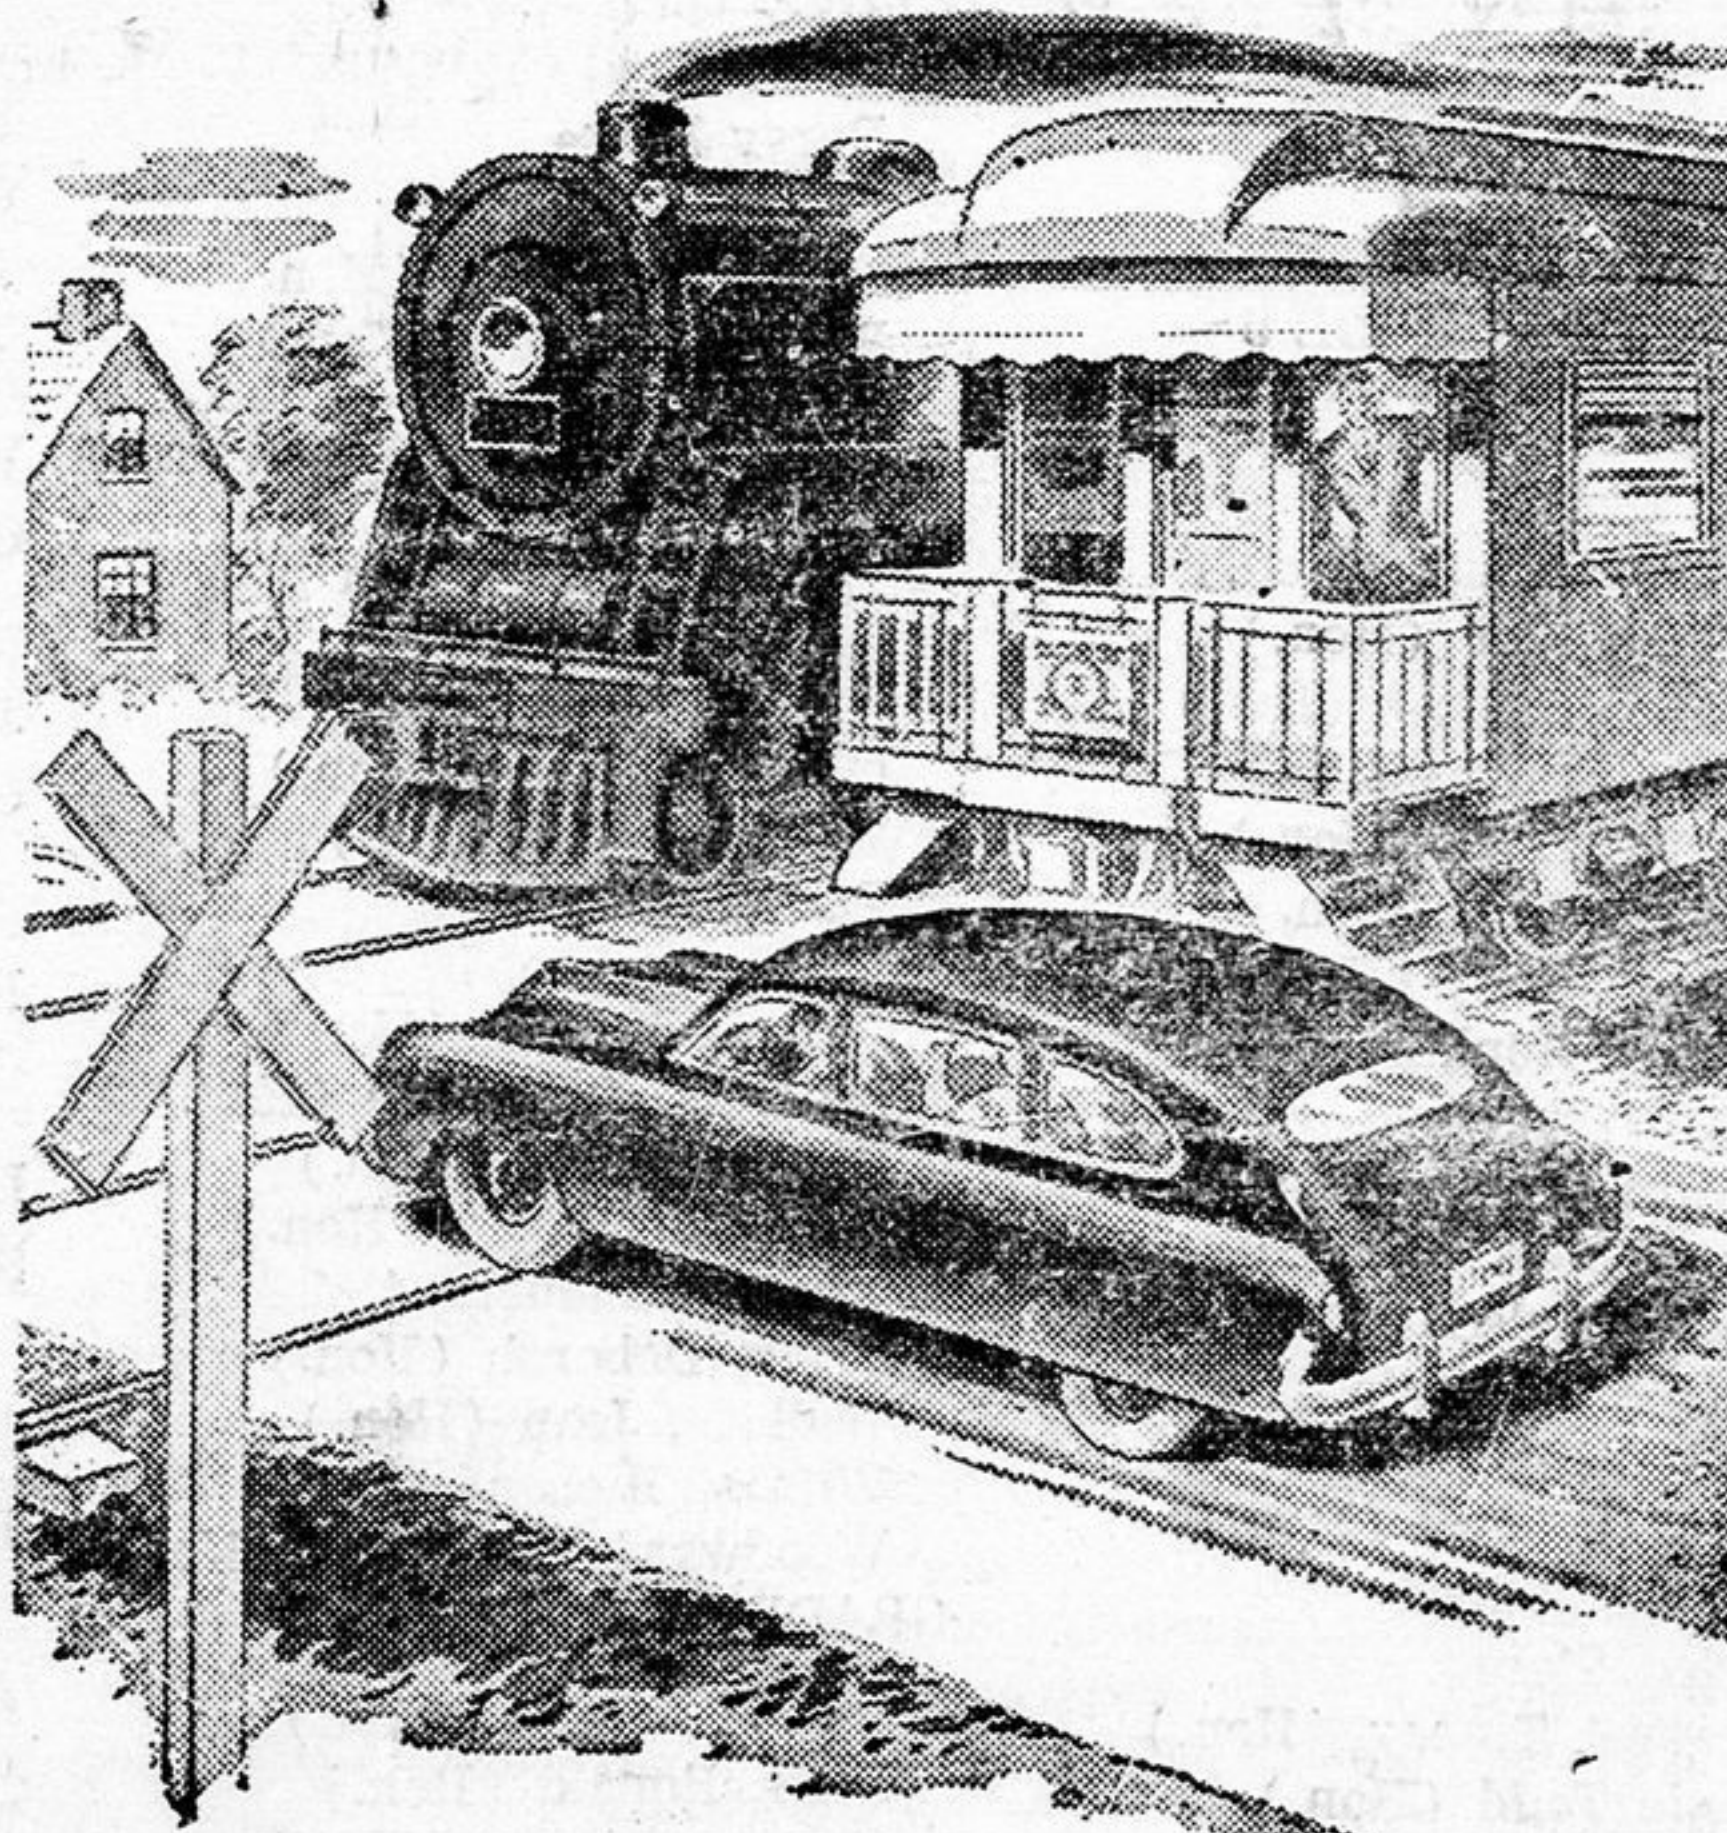

And to make such recommendations as are deemed advisable with respect thereto;

The Committee invites representations from parties interested in any or all aspects of the foregoing terms of reference. Such representations should be in the form of written briefs, fifteen copies of which should be submitted to the Secretary of the Committee not later than September 15th, 1960. An opportunity will be given at a later date for those making submissions to appear in person before the Committee.
