ADDRESS AND PRESENTATION.

mentioned articles and an address on behalf of the membership. Ashort programme of entertainment was presented and Mr. Jenkins in accepting the expressions of goodwill and friendly feeling thanked the societies for their unexpected tribute. The following is the address:

The doctors' medicine would prove of DEAR MR. JENKINS.

out of the way. Much of the success attained in our societies; and also the results secured to our community through these, must be acknowledged to have been largely the sequence of you counsels, labor and influence. Again, your relations to the church, the home and society have been faithful, cordial and uniform. We can ill afford, apparently, to lose such a true citizen. As a souvenir of the many pleasant and some trying hours spent together in the course of duty, allow us to now present you with this Chair and Lamp. The one may remind of the "Light of the world" and the other the "Rest awaiting the faithful laborer." In parting, we wish you God speed, the treatment was discontinued. But the societies; and also the results secured to our community through these, must be a trial in her daughter's case, who was at that all creditors and others having claims against the estate of Robert Portcous, late of the village of Bethany, in the County of Durham, gentleman, deceased, who died on or about the Seventh day of October. 1891, are required to send by post prepaid, or to deliver to Robert Fallis or itemy little inson, or before the first day of December, 1892, a statement of their names and addresses, the order of the said deceased, who died on or about the Seventh day of October. 1891, are required to send by post prepaid, or to deliver to Robert Fallis or itemy little inson, or before the first day of December, 1892, a statement of their names and addresses, the case will particulars of their claims and the aster of the securities (if any) heid by them.

And take notice that the said executors will, on and after the said first day of December, 1893, proceed to distribute the assets of the said.
