W. THEXTON, Office and Yards at the Station.

—It will be noticed in our death announcements in this issue that Miss Sharpe of Cavan has passed away. The funeral took place yesterday and was largely attended. Further comment will be made next week.

—Our Grandmothers' drank good tea years ago, why should we not use the best? The Maazawa is the finest Ceylon Tea grown, beautiful flavours in packages at 40c, 50c, and 60c per lb. ALEX. ELLIOTT, sole agent, 553 George-st., Peterboro.

—The members of Millbrook Lodge, No. 308, I. O. O. F. have been invited to attend at the Decoration ceremony held by the Cobourg brethren on Labor Day, Sept. 2nd. It is hoped that as many as possible will attend on that occasion.

—The Electric Light Company illuminated the interior of a number of the business places on Monday night. The result, we are assured, was satisfactory with one exception. Some trouble existed in the photograph gallery, but, we understand, was overcome by the speedy application of a box of matches and the advice of a grocer on the corner.

—Col. McLean was in town last week making important appointments in connection with the Durham Field Battery, which enters camp at Port Hope on Tuesday next. We understand Dr. H. A. Turner has been appointed Surgeon of the Battery.

Sergt.-Major McMahon is busy with the work and will enjoy, with the other officers the delicacies skimmed through the usual pot of skilly.

—Owing to circumstances over which I have no control, I have been unable to see many of my old customers personally, who may want coal, but I beg to say that I am still prepared to supply your wants, and from my long experience in handling coal, I can please you this season better than ever before. I invite inspection of my stock and guarantee satisfaction.

W. THEXTON, Office and Yards at the Station.

—The ninth annual convention of the agents of the C. P. R. will take place to the city of Quebec on the 9th of October. We are informed by the representative here, Mr. W. J. Gardiner, that a general meet of all railway officials will be a feature of the convention this year, so that a high time may be expected. The different navigation companies have placed their lines at the disposal of the delegates for the occasion.

—The Cricketers played the return match with Lindsay on Tuesday, the 20th inst., in the latter town. The Millbrook players won on the first innings by a score of 43 to 32. In the second innings the visitors made 63 and got four of their opponents out for 6 runs, when rain put an end to the game. The best scores for Millbrook were made by H. Needler 13, Woodcock 24, Vance 11, in bowling Wood got 7 wickets for 24, and Lefroy 6 for 11. For Lindsay, Sisson with 7 was top scorer. In bowling, Gough nearly had 10 wickets for 43, which was by far the best bowling for the home players.

—Tuesday last, August 20th, was the second date of the cheap excursions advertised by the C. P. R. to the North West, when a large number took advantage of the cheap rates, some to work in the harvest field and others to seek the country. Mr. Leach, G. T. R. ticket agent, sold tickets to the following persons:—Stewart Dean, John Armstrong, William Stewart, Henry Atkins, Thos. Williamson, Charles Hard, Noble Lang, J. A. Elliott, Wm. Gilmore, W. C. Leith, Thos. Brown, W. E. Johnston, J. Bradley, W. A. Graham, Robert McKinley and Robt. Brown. Mr. Gardiner, C. P. R. ticket agent, also sold tickets to W. Syer, J. Vanasco, Robt. Byers and others. On the former date (Aug. 13th) Mr. Leach sold eleven tickets to men whose names we have not received.

—Did you see that owl? The general proprietor of the Dominion Hotel, has for the last week had on exhibition a white owl, which a number of our citizens have taken quite an interest in. The beautiful bird was canvassed, we understand, for his patronage for the post office, also by a professional man who wanted to know if his teeth were bad. The new electric light scheme was presented to him—but he would not bite—rates were not low enough, in accordance with the bargains others had received. A couple of photographers called upon him in order to get necessary views for the benefit of outsiders. The feed- ing industry was represented by one of our dealers, who wished to know if the owl could predict what the ruling price of wheat would be this fall. A representative of the north side bank made a personal call as well as a hardware clerk. The owl being the centre of attraction for a few days the representatives of the municipalities commenced dropping in to see if there was any poll tax to collect. Cavan received the boodle. Any person requiring further information can receive same by applying to Mr. Charles Purvis, who can also tell you something about fixing up your leaky roof.

LITTLE ROSIE.

Side by side we watched together, Side by side we went away, Side by side we thought together, On that cold and stormy day.

Side by side we often listened, Side by side we sang sweet, And I remember how you used to hum, As you laid our little Rosie in the earth to wake no more.

On Sunday two Gospel Temperance meetings were held in the Methodist church. We hope that the message uttered by these workers may be productive of fruit.

WHY HE TOOK A SHAMPOO.

Barber—Poor Jim has been sent to a lunatic asylum.

Victim in Chair—Who's Jim?

Barber—Jim is my twin brother, sir. Had long been brooding over the hard times, and I suppose he finally got crazy.

Victim—Hum! Not unlikely.

Yes, he and me worked side by side for years, and we were so alike you couldn't tell each other apart. We both brooded a good deal, too. No money in this business now.

What's the reason?

Prices too low. Unless a customer takes a shampoo or something it doesn't pay to shave or hair cut. Poor Jim! I caught him trying to cut a customer's throat because he refused a shampoo, so I had to have the poor fellow locked up. Makes me feel melancholy. Sometimes I feel sorry I die, or be hung at all. I'd like to be wanted to might have saved his reason. Shampoo, sir?

To have perfect health you must have pure blood, and the best way to have pure blood is to take Hood's Sarsaparilla.

THE REASON WHY THE HEART FLUTTERS, PILES, AND IS OPRESSED, AND HOW TO RELIEVE IT.

The heart has a hard old time of it within itself does not excite much case, but it is very often called upon to play the troubling symptoms of palpitation, fluttering, labored breathing, oppression, etc., on account of diseased Kidneys offering increased resistance to the passage of the blood through their defective secretory structures, causing a morbid change in the blood unsuited to nourish the tissues and noxious to them. The minute arteries resist the passage of this foul blood, resulting in the muscular walls of the arteries after the venule of the heart becoming partially paralyzed, and from this cause results much of the so-called heart disease, which is owing to wasting Kidneys not being able to perform their functions. In order to relieve heart trouble remove the cause in the Kidneys with Chase's Kidney-Liver Pills. They relieve the blood of poisonous deposits, it goes on its way a stream of health, relieving the heart and imparting strength to every tissue of the body. When your heart is in trouble Chase's Pills quickly remove the causing condition, no matter whether it exists on account of disorder of the Kidneys, liver, stomach, or of nervous affection. Sold by all dealers. Price 25c. Edmondson, Bates & Co., Toronto.
