

Sunday Morning At St. Andrew's

The Rev. H. E. Ashford, M.A., B.D., D.D., of Toronto in charge. Scripture reading—Matthew 17:1-20. Text: "If ye have faith... nothing shall be impossible".

From many years as an overseas missionary, and now as an official of the Missionary and Maintenance Department of the United Church of Canada, he brought to us a challenging message for the church today. With 2,000 churches closed for lack of pastoral leadership, and new churches being built in new communities, our special task is that of recruiting and training a new generation of ministers.

In our Scripture lesson we see the glorious experience on the Mount of Transfiguration, where Peter, James and John saw Jesus transfigured before them, and there appeared unto them Moses and Elias talking to Jesus about his Messiahship and its problems. Then answered Peter, and said unto Jesus "Lord, it is good for us to be here: If thou wilt, let us build three tabernacles, one for Thee, and one for Moses, and Elias. While Peter yet spake, behold a bright cloud overshadowed them: and a voice out of the cloud, which said—"This is my beloved Son, in whom I am well pleased; hear ye Him".

And they fell on their faces, and were sore afraid, and Jesus came and touched them, and said "arise, and be not afraid" and when they lifted up their eyes, they saw no man, save Jesus Only! And when they were come down to the multitude, there came to Jesus a certain man, saying: "Lord, have mercy on my son; for he is lunatic, and sore vexed, and I brought him to thy disciples, and they could not cure him. And Jesus cured the child, and told the disciples, because of their unbelief they could not heal him, but nothing shall be impossible with Faith.

God speaks to us, in the dark shadow. A faithful Scotch preacher who had laboured and prayed for many years for a Revival, came to a very dark Sunday, when he was tempted to believe that he must be blamed for the lack of response. Coming out of the sanctuary with tears running down his cheeks a little boy was waiting for him, with the question "Sir, do you think I could become a minister?" He was little Bobby Moffatt, who grew up to become Robert Moffatt, a world-famous missionary in Africa. Our approach to Christ, is never a one-way street.

"If Christ is your abiding portion, nothing is impossible."

Mrs. G. A. Spicer's solo, "To seek Him is to find Him" was most suitable and very lovely.

Next Sunday is Layman's Sunday, with an outstanding Toronto lawyer, Mr. Donald Smith, Q.C. as guest speaker.

OPPORTUNITY TO SPONSOR GIRLS 4-H CLUB

4-H Homemaking clubs, under the direction of the Ontario Department of Agriculture Extension Branch, Home Economics Service, are designed to assist girls 12-26 years of age in their personal development. If as Herbert Spencer has said, "Education is a preparation for complete living" then Homemaking Clubs make a contribution to that aim. These organized clubs give an opportunity to study and work-together as knowledge and skills are gained in the various projects. This programme has proven beneficial along with Home Economics work covered in school.

Any group may sponsor a

4-H homemaking club that can send a leader and if possible an assistant leader to the Training School that is always held at the start of each project. There are 2 projects each year and leaders must attend the Training School in order to have a club. Leaders do need an interest in girls and some ability to teach but the Training School is designed to equip them to lead their clubs.

The Fall and programme for Northumberland County gets under way with the Training School for Leaders for the project "Being Well Dressed and Well Groomed" to be held in

East Northumberland District High School Brighton Home Economics room, August 28th and 29th, at 10 a.m. to 4 p.m. each day.

This project includes the care of clothes and the art of being well groomed. Each member makes a white slip for herself and applies special finishes and trim.

The official emblem of 4-H Clubs in Canada as in a number of other countries is the green 4 leaf clover with the letter H on each leaf to symbolize equal training of the 4-H's, which stand for Head, Heart,

Hands and Health. Girls who ordered 4-H pins and decals may now obtain them at the Department of Agriculture, Brighton.

Anyone wishing any further information about 4-H Homemaking Club work need not hesitate to write to the Home Economist, Department of Agriculture, Brighton.
