have to pay. If more folks move into our fair village, more folks will attend our church services, and all five denominations will receive increased givings or offertory. At first glance, this is good; but if all denominations are to receive increased incomes equal to operating expenses and

commitments, then one of the reasons for church union will have dissolved; and many people who want church union will be very disappointed; and that is bad. But, looking on the bright side again, we foresee that church union might not be postponed after all; because, if more people move into our fair village, and contribute more to the churches, it will come more denominations to get each its share of the increased givings; and church union may not be delayed as long as we reckon it might a few moments ago. And that is good for the many who were so disappointed a few moments ago. Trouble now is, where are we going to find a meeting place for the Lutherans and the Christian Scientists, for the Free Methodists and Baha'is, the Baptists & what the precise Peterboro Examiner calls "Various", and the Unitarians, the Men nonites, Christadelphians, Seventh Day Adventists, Rosicrucians, Moslems, Buddhists, Mormons, Greek Orthodox, Russian Orthodox, Jehovah's Witnesses, Roman Catholics, Greek Catholics, Theocrats, Neoprenes, and the jolly followers of Father Divine? Where to put them? Just between ourselves, we hope they all don't come.

SHADY NOOK DAIRY MILLBROOK

"MEET AND EAT AT SHADY NOOK"

We hope church union happens first; partly because we run the church ads free; & one big ad would be whole lot easier. Maybe it's a good thing that Mr. Foster Russell put what he did about us in his paper. Maybe it's a good thing the Tely copied it. Now

thousands and thousands of people won't want to come here to live; and that's fine with us, because nobody invited them anyway; and what's more, our fair village just ain't in no position right now to pay Joe to set up a extra dozen stalls in that there waitin' room.

C LASSICAL STYLE. There's bright-eyed eagerness — and a dash of regal distinction in Chevrolet's rich new style for '62. A wonderful blend for a remarkable car.

H ANDLING EASE THAT'S EXCEPTIONAL. Chevrolet has the smooth, easy handling you've been looking for. Due in part to its Ball-Race steering gear that almost eliminates friction.

E XCITING NEW PERFORMANCE. Pick your economy — pick your power! Chevrolet offers a tremendous choice: six engines that range from a 135 hp gas miser 6 to an all-out V8 performer that boasts 409 horses!

V ALUE NO OTHER CAR CAN MATCH. Automotive value has two categories: Chevrolet and all others. Your best buy bar none in the showroom, and your best sale bar none at trade-in time.

R IDE THAT'S "JET-SMOOTH". Four big coil springs level bumps to mole-hill size — and then vibration is dampened at 725 insulating and cushioning points. What's left? Just a Jet-smooth ride!

O PEN SPACES FOR COMFORT AND CONVENIENCE. If you're high, wide and handsome . . . and even if you have five friends along, Chevrolet pampers you — with space to spare.

L UXURIOSLY APPOINTED. Other cars may be as luxurious as Chevrolet — but only if they cost much, much more. That's a benefit of leadership: more Chevrolets made . . . more opportunity to give you more for your money.

E XTRAS THAT ARE STANDARD EQUIPMENT. Every model of Chevrolet comes complete with such quality extras as electric windshield wipers, deluxe steering wheel, foam cushioned front seat, front armrests, dual sun visors, cigarette lighter, glove box lock and crank-operated ventipanes — at no extra cost!

Test-drive a  Chevrolet today!
