## ORDER YOUR COAL NOW!

WINTER IS SURELY COMING.

The best time to buy your coal is when the weather is warm, as it is always cheaper then. I have the best coal this year that has ever been brought into Millbrook. This may be seemingly loud talk, but an inspection will, I think, convince the most sceptical on this point. Please call and see my coal before placing your order.

I have also another car load of shingles to hand this week. They are going fast as the price is low and the shingles are good. Office and yard at the railway station.

Yours respectfully,

W. THEXTON.

Fifth Line, Cavan.

Harvest being over the people of this vicinity have started at their fall ploughing and thanks to the recent rains the land is in good working condition.

A party of young people of this vicinity drove out to Oak Hill on Sunday and spent a very enjoyable day with their old friend, Mr. Joseph Horner.

Mrs. Porter and daughter of Chatham, who have been visiting friends in this vicinity left on Friday to visit friends at Trenton and Amherst Island.

Miss Rose Fallis of the 6th line of Cavan and her friend, Miss E. J. Fallis, of Kendal, were visiting friends here on Thursday.

Bethany.

Harvesting is about concluded and although hardly up to general expectations we can safely congratulate ourselves, as compared with foreign countries we are a favored people.

Quite a flutter of excitement was noticeable among our young people on Wednesday evening last—it being the occasion of a very popular wedding. Alice, third daughter of our esteemed citizen, Johnston Martin, Esq., and Mr. Robert McGrath, druggist, were joined in the holy bonds of wedlock. The young couple are deservedly popular and the occasion was one that seemed to send a thrill of joy through the hearts of their large circle of friends, who showed their devotion by the handsome and costly gifts received by the bride. They are at present spending their honeymoon in far-off green fields and the fervent wish of their multitude of friends is that their enjoyment may be unlimited and that as they pass through life's drama may the clouds of sorrow break ere they reach them and appear as waves of sunshine.

Fall's Line—Cavan.

One of the most pleasant picnics of the season was that of Saturday, August 26th, when a number of our young people, accompanied by friends from Millbrook, Manvers and Clarke, drove to the head of Rice Lake and spent an out and out jolly good day.

In the morning the weather promised to be unfavorable and many were the sad expressions as to the sign of rain. However, the mists rolled away and everything was lovely, the lake was as smooth as glass and as night came on it was as beautiful as a glorious moon could make it. The party left the residence of Mr. W. A. Fallis and reached Bewdley about eleven o'clock. Lunch was served in the pretty grove back of the hotel and was certainly a never-to-be-forgotten meal. Our boys not being skilled oarsmen, rowing was not indulged in to a very great extent, but the ball-room was made merry by those who enjoyed skipping the light fantastic. Mr. Arnot, the proprietor of the hotel, and his assistants, were extremely kind and obliging.

An Universal Beautifier.—Harmless, effective, and agreeable, Ayer's Hair Vigor has taken high rank among toilet articles. This preparation causes thin weak hair to become abundant, strong, and healthy, and restores grey hair to its original color.

### Centreville.

Our thriving village was represented at the World's Fair last week by Dr. Montgomery, who went there from Sarnia, where he was attending the High Court of Foresters, as representative of Court Centreville. The doctor is a gentleman that would certainly represent the locality in its true colors and we hope he may long remain in our midst to enjoy the confidence so deservedly placed in him by our citizens.

We are pleased to note that Mr. James Bullied who has been very ill is now on the road to recovery.

Dr. McKinnon and Mr. A. T. Elliott of Millbrook, accompanied by Mr. Best of Mount Pleasant, attended service in our Presbyterian church last Sabbath morning.

Miss Ella Brown left for Peterboro this week to attend the Collegiate Institute. We regret to chronicle the fact that Mrs. A. Christie is on the sick list, but we hope to hear of her speedy recovery.

We noticed Mr. Wm. Leach of Millbrook passing through our village on Monday last. Mr. Bryce, formerly of this district, spent Sunday last here with friends.

Mr. R. Deyell recently went to the North West to spend a couple of months with his brothers.

Our Presbyterian friends had a congregational meeting here last Monday evening for the purpose of discussing church improvement, which they have wisely postponed until next spring.

Miss Aggie Campbell, B. A., of Cobourg returned home last week after spending about ten days very pleasantly in our town, the guest of Mrs. John Byers.

### Mount Pleasant.

Miss Lottie Smith and Miss Ella Best of Peterboro, have returned home after visiting our town.

Special Sabbath school exercises, presided over by Rev. W. H. Cook, were held in the Methodist church last Sunday afternoon.

The remains of the late Master Harry Boyd were interred in St. John's cemetery last Friday afternoon. A large concourse of friends and relatives followed the remains to their last resting place, and his sad and early demise has cast a gloom over the village and neighborhood. The father, brothers and sisters of deceased have the heartfelt sympathy of all.

Miss Ella Thexton has returned from a trip on the back lakes.

Mr. and Mrs. Parker of Toronto are visiting at the parsonage.

Master Percy McLean has just commenced a two weeks' vacation.

Mr. John Boyd, jr. and his sister Maggie returned last week from North Dakota, just a day previous to their brother's death. Their welcome home was a melancholy one indeed.

Mr. J. J. McIndoo has returned to his business in Caledonia, after a visit to his friends here.

Locusts have done more harm here this year than the Colorado beetle would do in five years. We will require an inspector of insect nuisances next.

We are sorry to see Mr. James Smith require the assistance of a cane.

Miss A. Garlick of Bobcaygeon is visiting the Misses Mills.

Miss May Mills is home on a visit from Barrie.

Mr. C. R. Rutherford and W. E. Best are making cheese in our factory.

Mr. John Best of Peterboro was in the village on Sunday.

Mr. Wm. Cottingham has rented the farm occupied by Mr. Wm. Shield and has begun ploughing thereon.
