140 Laymen Attend Bay Of Quinte Conference

"Fulfil Your Ministry" was the theme for 140 laymen attending the third Annual Bay of Quinte Men's Conference held at Belleville's Albert College last week-end.

Dr. J. R. Mutchmor, Secretary of Evangelism and Social Service, complimented Church laymen on the effectiveness of their work, plans and progress in re-vitalizing the role of men in the total program of the Church.

Dealing with the subject "Moral Issues", Dr. Mutchmor said, "when it comes to some major moral issue when we (the United Church) have convictions and others will not pronounce their convictions we must say we will go on alone. But, we should not be bitter, mischievous nor dogmatic".

Dr. Mutchmor answered extemporaneously questions submitted dealing with subjects ranging from nuclear warfare, total abstinence, settlement of the present beer strike and obscene literature.

"Fifteen million adults learn to read every year—but what do they read? When did you last read a book on religion?", said Morrison Kelly, Professor of Public Worship, Emmanuel College, Toronto.

Drawing on a new testament figure, Dr. Kelly said, here we have (Epphras) a completely dedicated servant of God a model of devotion. Only faith which has been authentically and personally obtained—not a series of hand me downs—can enable us to "fulfil our ministry" as this man did.

The conference was opened by Sid Martin, Frankford, Planning Committee Chairman. Greetings were brought by Dr. A. E. McKenzie, Principal, and Judge J. D. Anderson, Chairman of the Board of Governors at Albert College; Rev. J. F. Lane, President, Bay of Quinte Conference.

"The spirit of this conference is equal to any (in Canada), said Ralph Wilson, Associate Secretary, The Board of Men, "and there is a new vitality coming into the Church through the enthusiasm, interest and concern of 34,000 Churchmen in 806 mens' clubs." Worship, work, retreat and renewal, a challenge and a call to effective Christian service, said Mr. Wilson, is needed in the Church and in the world where we live and work. We should be constantly evaluating program to measure its effectiveness.

Fred McIndoo, Conference Mens' Council President, presided during a review of mens' work in seven Presbyteries.

Miss Margaret Syer, daughter of Mr. and Mrs. Kenneth Syer, 8th line of Cavan, has won the C.N.E. scholarship for the best standing in 4-H Club work in Ontario.

Her grades in collegiate, ability in community leadership and Sunday School choir work were also factors considered in granting the award.

Miss Syer received her primary education at Matchett's School, S.S. No. 7 and then attended Kenner Collegiate from which she graduated in June. She is a member of the Cavan 4-H Club and has taken
