**1960 ONTARIO BULL SALE TO FEATURE PERFORMANCE TESTED BULLS**

As usual, the sale will be held in the Sheep and Swine Arena, Royal Winter Fair Building, Toronto. The dates selected are Wednesday and Thursday, March 2nd and 3rd, with the Hereford and Aberdeen Angus Bulls being sold on the first day, the Shorthorn Bulls on the second day. To qualify for the designation "Performance Tested" a Bull must gain

at least 2.50 pounds per day on test, not less than 2.15 pounds per day between birth and the end of the test period, and be grader "Breeder" or "Commercial." Thus both performance and type are considered in determining the Bulls which qualify for this classification.

A group of youngsters were parading up and down on King Street celebrating Halloween a little early with soap. They were saving our local merchants the job of washing their windows.

Salvage grandma's jardiniere from the attic for a puddle catcher. Place a sponge inside and set it near the door on wet days. Umbrellas will drain and dry without mess when parked in the quaint umbrella stand.

School-examinations are one-sided; it is not so much academic education, as a moral and spiritual culture, which lifts one higher.

**SOLID CITIZEN**

Ask Bob Jacques what he likes most about his job, and he'll say "meeting people". You see, Bob likes people, and his job of credit officer with The Toronto-Dominion Bank in Chatham gives him ample opportunity to meet people and to serve them. He works with people off the job, too, and meets his civic responsibilities by serving as an officer and active member in a number of community and fraternal organizations. That's Bob Jacques—solid citizen, capable banker—another example of the friendly, efficient and helpful people you'll meet in over 520 Toronto-Dominion Bank branches from coast to coast. Visit any nearby branch of "The Bank" soon and see for yourself why...
