—Thursday morning last about six o'clock the alarm of fire was again sounded and the attention of our firemen and citizens was directed to the yard in rear of the Collin's block on the north side of King-st. It was found that a frame building, used as an ice house, was in flames, but with their usual assiduity the firemen soon dispelled all fear of a serious conflagration and the fire was confined to the one building.

—On Thursday last as Mr. Henry Earl and his daughter were driving into town the horses became unmanageable while descending Allen's hill and started on a mad race towards the village. Mr. Earl, with his usual presence of mind kept a firm grip on the reins and guided the infuriated animals safely until they reached the corner of Gravel and King-sts., when they suddenly bolted and mounted the bank in front of the residence of Mrs. Berry. The young lady clung to the wagon and escaped without injury, but Mr. Earl was thrown out and had one of his shoulders badly injured, as well as some severe cuts on his hands, which will take some time to heal.

—Special message by telephone informs us that Mr. J. L. Patterson arrived in Port Hope this morning from Ireland, with two fine horses in his possession. One of the animals is an entire horse, running breed, named, "Rampart 2nd," who brings with him a standing challenge of two thousand pounds to race anything in England, Ireland or France over a two mile course with six hurdles. The other animal secured by Mr. Patterson is a mare named "Castle Blarey Maid," who was winner of the Hunt Cup this year. Both animals were bought from Mr. Thos. McMahon, purchaser for the British Army. We understand Mr. Patterson had a pleasant journey and landed with his horses in excellent shape. We purpose giving our readers a fuller report of the animals in question after a personal inspection and having received the opinion of Dr. J. W. Bland and others whose report we can rely upon.

—A few weeks ago a movement was put on foot to raise money to purchase a fire bell for the town. Messrs Isaac Richardson, J. C. Kells, R. J. Doak and G. W. H. The entertainment was a success, both financially and otherwise, the receipts amounting to \$87.15. The committee did not allow matters to rest at this juncture, but immediately got to work to solicit subscriptions in order to raise the necessary amount to purchase the bell. Following are the

names of the contributors: S. L. Moore, \$5; S. Jamieson, \$1; W. G. Hetherington, \$1; Geo. Campbell, M. P.P., \$1; W. H. Russell, \$1; Miss Johnston, 25c. They still hold the list open for contributions as they have not yet on hand enough to purchase a good bell.

—Root Baskets, Potatoes Forks, Scoop Shovels, Zinc, Lanterns and Wall paper going at hard time prices at R. J. Doak's.

South Monaghan Exhibition.

The South Monaghan Agricultural society held their annual fair in Centreville on Tuesday last. The day was fine, better weather could not be desired, and the attendance was large, the receipts, amounting to about \$112. In not a few of the classes the entries were numerous and the show was a success. The new grounds of the society are a decided improvement on the old, but much remains to be done before they can be called complete. A great many Millbrook people drove down in the afternoon in time for the horse races. The judges on the races were Messrs Wm. O'Brien of Millbrook, Charles Nixon of Port Hope and Harry Winch of Peterboro. In the running race there were three entries, McMahon's grey colt won after a hard race. Connor's Danny C., Harry Natrass' Harry C. and Fred S., a Norwood horse were the starters in the open trot. Harry C. lost no time in taking the lead on the start and remained there till the race was over, winning in three straight heats. The walk trot and run race was a rather amusing one. In this race the favorite was beaten, although he had a lead of about a quarter of a mile in the last round. The directors are to be congratulated on the success of their fair.

MANVERS FALL EXHIBITION.

Weather Unfavourable—Exhibits in Nearly Every Class as Good as Former Years.

The Manvers agricultural society fall exhibition took place on Tuesday and Wednesday of last week, and although the weather was unfavourable the exhibition compared favorably with former years—and that is no small boast. Although the gate receipts fall a little short the directors are to be congratulated in carrying out everything according to agreement and we hope that in future the rules and conditions of the society will be conducted in the same straight-way as has been characteristic of the officers and directors in the past. In the horse ring the exhibit was good, and in cattle Manvers fully displayed the good reputation held in the past. The Jersey cattle exhibit by Mr. Thomas Oliver was admired by all who saw them and we are certain would do credit to many of the larger shows that have been held this fall. In carriages Mr. Geo. McCartney showed a couple of vehicles that fully sustained the reputation of the old firm. For the display of fancy work and fine arts our ladies deserve special credit, as no other department was more admired than this. A millinery display by Messrs Ivory & Son commanded the attention of many of the ladies and as your correspondent had the pleasure of visiting the establishment of this enterprising firm his opinion of the exhibit was fully verified by a view of their stock. Miss Carson, late of Durham is at the head of the department and under her supervision the ladies of Bethany and surrounding country have nothing to fear in being crowned with the latest styles and the most artistic workmanship. While visiting the show your correspondent visited the different places of business in the capital of Manvers and found each different branch in a flourishing condition and taking the low prices of goods into consideration we do not wonder much at the fact that Bethany does not lose much trade by the low rates on railways to larger towns.

Bethany.

Miss Minnie Kelly, we are pleased to state has decided to take up her residence in our town.

Miss I. McNeil is in town, the guest of her sister, Mrs. Geo. McCartney. Quite a large number of our citizens went by special train to Millbrook show on Friday and report a good exhibition, being in their opinion better than either Peterboro or Lindsay.

Centreville.

On Sabbath morning last the sacrament of the Lord's Supper was observed in the Presbyterian church. There was a large congregation present.

Mr. Wm. Beatty of Orono spent Sunday at the home of Mr. Johnston Stewart.

Miss Emma Earl of Carmel spent Sunday at her home here.

Rev. Mr. McWilliams of Peterboro preached in the Presbyterian church here on Thursday last, and our pastor Rev. Mr. Cattanauch, occupied the pulpit in St. Andrews' church, Peterboro, on Friday.

Janetville.

On Wednesday evening, Sept 20, Miss Lizzie Anderson, youngest daughter of Mr. Henry Anderson, was united in marriage to Mr. Billingsley, freight agent at Lindsay. The ceremony was performed at the resi of the bride's parents by Rev. Mr. Frisel, assisted by Rev. Mr. Oswald. The young couple are at present enjoying themselves among the relatives of Mr. Billingsley in Ohio, they will visit the White city before they return.

The business for sometime carried on here by Mr. Benjamin McGill will in the future be run by himself, assisted by Mr. James McGill, late of Advance, Michigan, who has entered into partnership with him. No doubt business will now hum to a livelier strain in the village than before.

Mr. William Argue, teacher at Drum, near Pontypool, spent Saturday and Sunday under the parental roof.

Mr. John Oswald, of Lindsay Model school was home over Sunday.

For the Good of Others

Rev. Mr. Williams Heartily Endorses Hood's Sarsaparilla.

We are pleased to present this from Rev. A. A. Williams, of the Sillsbee street Christian Church, Lynn, Mass.:

"I see no reason why a clergyman, more than a layman, who knows whereof he speaks, should hesitate to approve an

Article of Merit

and worth, from which he or his family have been signally benefited, and whose commendation may serve to extend those benefits to others by increasing their confidence. My wife has for many years been a sufferer from severe

Nervous Headache

for which she found little help. She has tried many things that promised well but proved little. Last fall a friend gave her a bottle of Hood's Sarsaparilla. It seems surprising what simply one bottle could do and did for her. The attacks of headache decreased in number and were less violent in their intensity, while her general health has been improved. Her appetite has also been better. From our experience with

Hood's Sarsaparilla

I have no hesitation in endorsing its merits." A. A. WILLIAMS.
