ORDER YOUR COAL

NOW!

WINTER IS SURELY COMING.

The best time to buy your coal is when the weather is warm, as it is always cheaper then. I have the best coal this year that has ever been brought into Millbrook. This may be seemingly loud talk, but an inspection will, I think, convince the most sceptical on this point. Please call and see my coal before placing your order.

I have also another car load of shingles to hand this week. They are going fast as the price is low and the shingles are good. 427 Office and yard at the railway station.

Yours respectfully,

W. THEXTON.

MANVERS CENTRAL SHOW.

THE SHOW A GRAND SUCCESS—THE EXHIBIT GOOD.

One noticeable feature in connection with the Manvers Central was the exhibit of Jersey cattle by Mr. Thos. O'Brien. To say that the different animals were a credit to the owner would only voice the sentiments of every person on the ground. Mr. O'Brien also exhibited a quantity of butter from his Jersey cows, and secured the first prize. Mr. Robert Phelps of Cartwright, made a splendid exhibit of Durham cattle. The interior of the building was, as usual, adorned with the many nice things that has become characteristic of the ladies of Bethany and surrounding country. Our attention was particularly drawn to some Crayon work, and on inquiry we were informed that Miss McGill was the artist. The work was certainly a credit to the young lady and was quite an acquisition to the display of fine arts. We understand the officers and directors of this society contemplate making provision for better accommodation for next year, so that speeding in the ring will be made a more prominent feature of the show.
