Three Dead.

NEW YORK, Oct. 20.—David Lyons, Jas. Hayes and George Bogan, Central Park policemen, while on duty early this morning, went into a cottage near the croquet grounds to sleep. S. P. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes:

"For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down. I was induced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and, in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 129 pounds; I now can brag of 159 pounds, and was never in so good health. If you could see me before and after using, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market to-day."
