

Night Driving Hints For You

Night comes earlier, and more dangerously, at this time of the year, warns Arch. Bryce, general manager of the Canadian Highway Safety Conference.

In a special safety reminder to motorists, Mr. Bryce cautioned that reduced visibility makes it advisable to stay off the highway after dark.

Those who are obliged to drive at night, the safety official said, will profit by slowing down and following these tested highway survival practices—

1. Before setting out on your after dark trip, make sure you have plenty of gas. Check tires for proper inflation and make sure you know how to use your jack. Your lights should be in good working order and if you have engine or tire trouble, a flashlight will come in handy.

2. Parking lights should be turned on before it gets dark. Careful drivers light them at sunset.

3. Stop every hour or so at a roadside restaurant for a breath of fresh air and a stimulating cup of hot tea or coffee.

4. Stop driving and pull off to the side of the road the moment you run into heavy fog or heavy rain or when you find yourself overtired. Fog will lift, rain will cease, fatigue will vanish with a little rest, and you may continue your trip safely.

5. Dim your lights just as soon as car comes within "glaring" distance. It satisfies the ego only temporarily to glare back at the approaching driver; both of you can wind up glaring your last from a wreck in the ditch.

6. If you have to drive through scantily populated areas, take along a vacuum filled with coffee or some other alertness beverage.

7. Drinking anything alcoholic while driving is always perilous but never more so than at night when drivers' reflexes are overtaxed.

8. There is one good side of his nature a driver should resist: do not pick up unknown hitchhikers. Some have proved themselves to be robbers and murderers.

This nighttime code of conduct is adhered to by thoughtful drivers the year round, concluded Mr. Bryce, who stressed its special significance with the present early night-fall.

LOSS OF TIME INSURANCE

If a man has an income, probably he can look after the reasonable needs of his family and buy insurance to take care of the possibility of disaster. But what if he loses his income? One disaster he should insure against is accident or sickness which would cut off his income.

CIA offers loss of time insurance as part of an accident and sickness policy. For details see your CIA representative:

LOCAL GIRLS WIN AT INTER-SCHOOL FIELD-DAY

On Friday, October 4th, Millbrook and Blackstock High Schools met with Orono for a three-school Field-Day. Orono has an enrolment of 96, Millbrook 78 and Blackstock 60.

The meet opened with a brief ceremony about ten o'clock. The contestants, about two dozen from each school, marched on the grounds led by a senior student carrying a large banner of the school colours. After the National Anthem, Rev. Mr. Long of Orono led in the Athlete's Prayer. Words of welcome were given by Mr. Watt, Principal of Orono High School, and replied to by Principal Paisley of Blackstock and Principal Goheen of Millbrook. Mr. Henderson of Oshawa, the official referee for the day, then declared the meet open. The schools placed their colours in holders on the platform and the contests commenced. Three events went on simultaneously.

With only about half an hour for lunch (at which Orono served the visiting schools with hot chocolate), the contests continued until about four-thirty. Every event was keenly contested. Results were announced from the platform frequently over the P.A. system and the cumulative points of each school given.

As was expected because of larger enrolment and being on home ground, Orono students took an early lead in points. At the end of the day the scores by schools were:

Orono 189
Millbrook 117
Blackstock 109

Detail of winners in events has not been received at Millbrook but may be published later.

Besides a large trophy which Mr. Henderson presented to Orono High School at the end of the day, there were six smaller trophies for individual winners. When Mr. Henderson called the students to the platform to receive these, it was found Millbrook had won three, Orono two, and Blackstock one as follows:

Jr. Girls Champion—Norma Earle, Millbrook.
Jr. Boys Champion—Ardis MacArthur, Blackstock.
Inter. Girls Champion—Gail Lawson, Millbrook.
Inter. Boys Champion—Eric Carleton, Orono.
Sr. Girls Champion—Helen Wright, Millbrook.
Sr. Boys Champion—Marshall Keast, Orono.

Two lessons we believe were learned by all the contestants:

1. It pays to keep physically fit.
2. Success in anything can only come through hard work and determined effort.

CHRISTIAN YOUTH

Bible Sunday was observed by members of CYUC at their regular weekly meeting in St. Andrew's Church Hall. Rev. Francis Chisholm introduced a sound film on the story of the English Bible entitled, "Our Bible and How We Got It". Mr. R. W. Goheen operated the projector. Nancy Powell led the worship service.

LIONS NEWS

The Millbrook Lions Club has started the 1957/58 season off with the usual "Lions Roar". Monday, October 7th was their second dinner meeting of the new season, the first one being September 16th. The publicity committee has been a little slow with the news, but now that there has been some real discussion on a project for the coming year we feel we have something to report that will be of special interest to the community.

First of all the stage is set for the annual Hallowe'en Party to be held in the Armouries on Thursday evening, October 31st. Lion Lavergne Fallis and his committee have been working on this for some time and has a real evening planned for the children.

Committees were appointed at Monday's meeting to look into costs, health standards, etc. required for the building of a community swimming pool in Millbrook. The experience gained during a few years in trying to develop a pool in connection with the Lions Park has proven conclusively the only satisfactory pool is a concrete one.

These committees will have their reports in for the mid-month meeting on November 18 and if it is feasible the Lions Club will sponsor the building of a swimming pool.

Mr. Charles Fisher of South Monaghan showed beautiful pictures he had taken during his trip to the British Isles and Europe.

The Lady Lions served a very delicious roast beef dinner. The ladies have the happy faculty of making every dinner the best yet. How they do it we don't know, but we like it.

Sunday Morning At St. Andrew's

World-Wide Communion

"The cup of blessing which we bless, is it not the communion of the blood of Christ?" "The bread which we break, is it not the communion of the body of Christ?"

1st. We go to communion to meet the Living Christ. Communion is His presence realized. 2nd. This Communion Service is the expression of our fellowship with Christ, and our fellowship with one another. Jews, Gentiles, bond and free, we all are equal at this table. Pride and snobishness have no place here.

3rd. It is the expression of our Fellowship with the whole family of God, and our common allegiance to Jesus Christ. This is not our table, but the Lord's table, to which men of all nations are welcome. "In Christ there is no East or West."

4th. It is the Communion of Saints, with the dear ones above, wherein we are surrounded by a great crowd of witness-bearers to the saving power of Jesus Christ.

"O blest communion! fellowship divine! We feebly struggle, they in Glory shine; Yet all are one in Thee, for all are Thine, Hallelujah!"

The junior choir sang a special number for this service and ten members of Session, assisted in the Communion service, with 105 communicants.

Next Sunday, October 13th, is Thanksgiving Service, and on the 20th we celebrate the 75th Anniversary of St. Andrew's.
