### TRUSTEE PRISONER DESERTS REFORMATORY

Joseph Smorron, 27 years of age, a trustee at the local prison, escaped from the grounds last Friday afternoon and has not been located as yet, as far as we know, although extensive search of the district was carried on for many hours. The man was working with other trustees clearing brush in the west corner of the property.

He took a sudden notion to "fly his kite" and made a run for the wire fence which he climbed and crossed the Pontypool road and disappeared into the bush at that point. The guard, Kenneth Morden, didn't even have a pea shooter, so gave the alarm as quick as possible and a search was immediately started, but to no avail.

The foolish man only had about a week to go before his sentence of six months ended, and why he should do this is hard to fathom. He was in for drunkenness, and not considered to be dangerous to the public.

### PONTYPOOL

### Lady Lions Visit Newcastle

The Lady Lions held their regular monthly meeting at the home of Mrs. H. Lancashire Monday evening.

President Mrs. L. Winslow conducted the business period during which time several items of old and new business were despatched. Secretary, Mrs. H. Lancashire, read minutes of the last meeting and Treasurer, Mrs. A. R. Payne reported a favourable bank balance, thus enabling the Club to assist financially in community projects to be held in the near future.

Twelve members of Millbrook Lady Lions were guests of the Newcastle Lionettes, October 20th, at a dinner meeting held at Newcastle. The guest speaker was Mrs. Arkless, president of the Cerebral Palsy Council in Oshawa, who spoke on the work of the Council and showed films of the work being done in classrooms in Oshawa.

It was decided to invite the Newcastle Lionettes to our November meeting which will be a dinner at the Waiting Room, November 24th. Tentative plans for a joint Christmas meeting with the Lions Club were discussed and will be announced at a later date. Plans were also discussed for the Santa Claus Parade.

The ladies bagged candy for the annual Hallowe'en Party to be held at the Armouries on Friday, October 31st.

During a pleasant social hour Mrs. Lancashire was assisted by Mrs. A. Payne and Mrs. S. Snelgrove serving refreshments.

### BADMINTON MEETING TOMORROW NIGHT

There will be a meeting of the Badminton Club in the Armouries on Friday, October 31st, 1958 (tomorrow) at 8.30 p.m. With the success shown on Friday nights, it is hoped that a League may be formed. All those interested are asked to attend this meeting.

### THE BOOMERANG ALWAYS RETURNS

Here is a French allegory that points to a moral worth remembering:

A portrait painter sat in his favourite cafe sipping his coffee. His first cup finished, he was about to order another when his eye fell on a headline in the newspaper, "Hard Times Coming"; so instead of ordering his second cup, he called for his bill. "Is there anything wrong?" asked the landlord. "The coffee is good, but I did not order a second one because hard times are coming and we must economize," explained the artist.

"Hard Times!" said the landlord. "Then my wife must not order the silk dress we planned, but must take one of cotton."

"Hard times?" repeated the dressmaker when the order was cancelled. "This is no time to expand, I must not make the improvement I had planned in this place."

"Hard times, eh?" said the builder when the owners cancelled the building plans. "Then I cannot have my wife's portrait painted." So he wrote to the artist and cancelled the portrait order.

After receiving the letter the artist went again to his favourite cafe and ordered a small cup of coffee to soothe him. On a nearby chair was a paper in which he had read of hard times a few days before. He picked it up, read more closely,
