The Farm Journal says: To make the horns of a growing animal change the direction of growth, scrape them thin on the side toward which you would incline them.

The joints and muscles are so lubricated by Hood's Sarsaparilla that all rheumatism and stiffness soon disappears. Get only Hood's.

To catch hen hawks, bait a steel trap with chicken and set it on a pole erected on outskirts of the chicken run. Nail a small board on top of the pole to hold the trap and chain the trap to the pole. Put the trap on top of bait.

"A chemical success and medical triumph," so speaks an eminent physician in reference to Ayer's Cherry Pectoral; and the eulogy was none too strong. No other medicine is so safe and efficacious in all diseases of the throat and lungs.

Britain is Proud of Canada's Success at the Fair.

LONDON, Oct. 27.—The success of Canada at the World's Fair, particularly in cheese and live stock, is attracting attention here. This week's issue of the *Mark Lane Express*, which appeared yesterday, had an article on the subject, declaring that Great Britain herself is nowhere in the competitions compared to Canada, but that all are proud to see the Dominion holding its own with the United States.

"Nothing succeeds like success," and nothing will more quickly insure success than true merit. For fifty years, Ayer's Sarsaparilla has maintained its popularity as the superior blood-purifier. It stands upon its own merits and never fails to give satisfaction.

Their Name is Legion.

There is no lack of so-called cures for the common ailment known as corns. The vegetable, animal, and mineral kingdoms have been ransacked for cures. It is a simple matter to remove corns without pain, for if you will go to any druggist or medicine dealer and buy a bottle of Putnam's Painless Corn Extractor and apply it as directed the thing is done. Get "Putnam's," and no other.

—English Spavin Liniment removes all hard, soft or calloused Lumps and Blenishes from horses, Blood Spavin, Curbs, Splints, Ring Bone, Sweeney, Sprains, Sore and Swollen Throat, Coughs, etc. Save \$50 by the use of one bottle. Warranted by A. LEACH. 11-1

WELL!

Has your well got a good pump in it? If not, why not?

G. W. GREEN

The Millbrook manufacturer, supply you with any design of pump you want and at prices to suit the times. Among those of his own manufacture or that of any other make he holds the EUREKA pump to the front, as it is the only pump on the market that can be regulated so as to throw either a light or heavy stream.

If you require a pump give him a call and he will suit you.

He handles a pump specially designed for gardeners and fruit growers. It is a spray pump without either plunger or valve, so that there is no danger of it getting out of order in using poisonous liquids.
