A Racking Cough

Cured by Ayer's Cherry Pectoral. Mrs. P. D. HALL, 217 Genessee St., Lockport, N. Y., says:

"Over thirty years ago, I remember hearing my father describe the wonderful curative effects of Ayer's Cherry Pectoral. During a recent attack of La Grippe, which assumed the form of a catarrh, soreness of the lungs, accompanied by an aggravating cough, I used various remedies and prescriptions. While some of these medicines partially alleviated the coughing during the day, none of them afforded me any relief from that spasmodic action of the lungs which would seize me the moment I attempted to lie down at night. After ten or twelve such nights, I was

Nearly in Despair,

and had about decided to sit up all night in my easy chair, and procure what sleep I could in that way. It then occurred to me that I had a bottle of Ayer's Cherry Pectoral. I took a spoonful of this preparation in a little water, and was able to lie down without coughing. In a few moments, I fell asleep, and awoke in the morning greatly refreshed and feeling much better. I took a teaspoonful of the Pectoral every night for a week, then gradually decreased the dose, and in two weeks my cough was cured."

\$200 Worth of Other Medicines Failed

But 4 Bottles of Hood's Sarsaparilla Cured.

"It is with pleasure that I tell of the great benefit I derived from Hood's Sarsaparilla. For 6 years I have been badly afflicted with Erysipelas breaking out with running sores during hot summer months. I have sometimes not been able to use my limbs for two months at a time. Being induced to try Hood's Sarsaparilla, I got one bottle last spring and commenced using it, felt so much better, got two bottles more; took them during the summer, was able to do my housework, and

Walk Two Miles which I had not done for six years. Think I am cured of erysipelas, and recommend any person so afflicted to use

Hood's Sarsaparilla
Four bottles has done more for me than \$200 worth of other medicine. I think it the best blood purifier known." MRS. H. D. WEST, Church street, Cornwallis, N. S.

20,000 Dollars

—WORTH OF—

DRY GOODS

MUST BE SOLD WITHIN NEXT 30 DAYS AT

HALL, GILCHRIST & CO'S

GREAT REALIZATION SALE,
Commencing Saturday, November 18th.

We just begin to realise the fact that in another month our buyer will be off to Europe to buy Spring Goods. We must therefore in thirty days scratch together \$20,000 for him to take along to pay for what he buys. With this in view we have decided to quickly and promptly set to work and raise the above amount by hook or by crook. To accomplish this we know that the pruning knife must be put in liberally, and that we must present you a tempting list of Bargains we think you will appreciate our efforts in this direction when you see what we have to offer you. Goods that you need now at the commencement of the winter season at prices such as are often quoted in February when you don't need the goods at any price.

We do not expect to raise this large amount (and our buyer says he must have it) by quietly standing behind our counter with our hands in our pockets, Micawber-like, "waiting for something to turn up that will bring customers in of themselves," but we do expect that this announcement with our list of sharply cut prices for attractive lines of goods will convince you, that in justice to yourselves, you cannot allow this opportunity to pass unheeded.

It don't need much logic to convince you these hard times (when our friends in the country are getting only 56c. a bushel for wheat, and which fact indirectly effects every citizen in like proportion) that if One Dollar will buy you as much when spent with us as \$1.35 will when spent in most places, that ours is the place to deal at.

Every department will contribute its share of bargains. We have spent mostly every evening this week marking down prices and you will make a mistake if you do not attend this GREAT SALE.
